**SPECIAL MESSAGE OF CHRIST JESUS FOR THE YEARLY DAY OF THE DIVINE MERCY,
TRANSMITTED IN THE CITY OF SAO PAULO, BRAZIL TO THE VISIONARY FRIAR ELÍAS**

Blessed are those who confess before My Merciful Heart all their faults and acquired debts because on this day of Divine Mercy My rays are radiated to the entire world in order to purify impurities and to heal the wounds in those who only say yes to Me.

Rejoice yourselves and do not get scared anymore because this is the day of your liberation. Be participants in the source of special Graces that My Heart is presenting to you at this time. Once I said that the one who is the most inveterate sinner who asked for My Mercy would truly receive and would be forgiven from all of its faults. Today I tell you the same as I said to Mary Magdalene: "Go in Peace and sin no more" because I Am the one who will always give you inner strength to transform yourself.

I know that many of those who follow Me at times feel as if they were in a path of shadows and obscurity, this will soon end. Blessed are those who live in darkness and call Me with the heart because My Eternal and Merciful Light will save them. Remember that during the Passion I poured Blood and Water from My Side, I poured the Source of Life and of Mercy. Now rejoice yourselves because on this day of Piety and of Compassion your hearts will remain clean from every stain and will see arising on the horizon the light of My Hope for this world.

Blessed are all of those who on this day of Mercy and on the days that are to come ask for Mercy. In truth I tell you that in spite of the debt being greater than any other fault, it will be forgiven by Me. Know that the Father gave Me the power to absolve you, go in joy and participate in the communion with My Body and with My Blood. Be a living testimony of the redemption and of the mercy for those who still do not live on this path.

I want to be more merciful with you. I wish for you to get to know deeply the thirst that I have for all the fallen souls because in them I hope to raise a new temple, a place where Our Eternal Father will live in the redeemed hearts. Come towards Me and, with joy and gratitude, carry your cross, the Supreme will never give you such a heavy cross as the one I carried for you in the Calvary. Now I Am the new Cyrene that comes out to the encounter of your path to relieve the weight that your back carries. Let Me tell you what to do in order to walk in braveness and in peace.

I come in this time to liberate your being from the inner cross, that which sometimes from you own actions hurts you, wounds you, tires you and makes you ache in the most profound part of yourself. I Am the Divine and Unfathomable Mercy, I Am the One who established the day of the Divine Mercy to be able to liberate the faults of humanity. Surrender to Me the cross of your loneliness. Surrender to Me the cross of your anguish, of your despair. Surrender to Me now the cross of your desires, temptations, afflictions. Surrender to Me the cross of your martyrdom, the cross of you indifference, the cross of your pain. Only surrender to Me the cross that always makes you fall. Surrender to Me with bravery and determination all that does not let you walk.

I believe in truth that you still do not know the greatness and the power of Christ, I wish all the time to be a part of your cross so that you may be able to live in Me. Come dear redeemed disciple, come

to My arms and feel the heat that radiates the love of My Heart! I Am the Source and the Merciful Life, I wish that all of those who follow Me continue following Me without fear in this time of what you will see of yourselves.

I only want on this day to give to you My gesture of love so that you may know that My Mercy today concedes Graces to all, Graces of God, from the Eternal Love. Look to Me and beg for My name, the time of your redemption has come, the day of your mercy has come, only think of remaining in Me, by My side, at My side, With Me forever.

Under the Divine and Powerful Mercy that comes from the Father, be redeemed in the name of the Eternal Father, of the Son and of the Sacred Holy Spirit.

Merciful Christ Jesus
