EXTRAORDINARY APPARITION OF THE VIRGIN MARY, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Dear children:

Today I am here representing My beloved spouse Saint Joseph. And this means for Me and for the whole universe that finally Saint Joseph, as a divine and universal Consciousness, is working in the entire planet and with all His Consciousness in this very moment.

You, through these steps you have taken, following His Holy Instruction of love, have allowed Saint Joseph, My beloved spouse, in this anniversary not only to welcome your hearts, but also to welcome the suffering of the planet, that is very large, immense.

Meditate on what I say to you today, because the spiritual Hierarchy needs to find you at this point every day.

In the name of My Son and of My beloved spouse Saint Joseph, united to the love that flows out from Aurora, I will consecrate these elements, which the angels who accompany Me today will transubstantiate by the power that Christ has given them.

For this reason I ask you, at this moment, to call within yourselves the Guardian Angel so that he participates in this Sacrament and your souls may once again be benefitted by this Grace.

All of this is possible. The Work of the Divine Messengers is possible, not only by your immediate, consequent and firm adherence, but also by the Grace of God, by the work of His Holy Spirit.

Adonai is observing you. Contemplate His immense Love and enter into His Ocean of Grace, because there all will be repaired and souls will be restored by the Presence of the Sacred Hearts.

On March 19 of 2018, may Saint Joseph, as Father of instruction and of souls, once again be free to work with the human consciousness, at the doors of this great transition.

If your souls are missionaries, Saint Joseph will be able to work with many more souls, to reach those corners of the Earth where there is neither light nor love.

You, on this day, be the source of wonders, so that Saint Joseph may expand His Consciousness in the world and in humanity, and the Kingdoms of Nature may also be saved.

I will be, through this act, very grateful for your consideration.

Let us consecrate.

Today My Immaculate Heart will call two pilgrim souls who have travelled from far away to find Me here, and that have been worked upon by this divine Work for a few years now.

Thus see, dear children, how important is your responsibility before the Plan, because many souls are waiting to awaken to these same divine impulses that Saint Joseph brings to you.

Song: "Adonai, Holy Spirit"

Friar Elías del Sagrado Corazón:

Let us listen to the prayer that Mary is making for us and for the world.

"Holy Father of Love, do not see the mistakes that exist on Earth, but the virtues that are born from the simple hearts, from the souls that open themselves to recognize Your Presence.

Repair each corner in the consciousnesses that have been infiltrated by evil. I ask you, Holy Father, that you have pity on those who are with You all the time. Do not look at their faults nor roles, but rather the infinite greatness of Your Love that lights up in the hearts that vivify Your Spirit.

May this Communion represent the experience of the Passion of Your Lord in each being; of the One that You sent to be gestated in My womb, so that Mercy could be born in humanity.

I beg you, loving Father, by the divine authority that You have granted Me, united to the Sacred Heart of Jesus and the venerable Heart of Saint Joseph, My beloved spouse, that this Sacred Unity may institute Your Plan on Earth and souls be freed from sin, from arrogance, and from pride that separates them from Your Love.

Invade, My Father, each consciousness with Your Gifts and on Earth be reflected the mirrors that exist in all souls.

So be it."

I thank you for responding to My call and to the call of Saint Joseph.

Thank you, Adonai, for all that you give us!

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

And now, from here, at the foot of the altar of Saint Joseph, we will listen to His sacred Words, in the [Message delivered to Sister Lucía de Jesús](#).

Let us continue to drink of this infinite Love of the Sacred Hearts.
