**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

On the eve of the great moment that My Son lived on the Cross, today I invite you to prepare your hearts on the path of perseverance and faith, attributes that were lived by Jesus moments before His surrender on the Cross, before everything was consummated.

Thus, My children, entering the school of faith and perseverance, you will find the path of constancy and fortitude so that, before the tests, you may be confirmed in the Plan of the Celestial Father and He, through Mercy, may be able to carry out His Works throughout the world through your spirits.

In this time of preparation, your Master is already in Jerusalem, working intensely for the redemption of souls, which in these times do not even receive the opportunity of experiencing the love of the heart.

May this Sacred Week lead you into understanding the mystery of the Love of God through the sacrifice of Christ, for, in this way, you will be holders of the essence of Life that created the bases for transcending the Passion of the Lord.

Children, on this day, we walk together in the Will of the Lord, which renews us and encourages us to live the surrender of life and of the heart. Stay always upon My lap; I have prepared a space of inner fortitude that is capable of leading you into living the Gifts of the Creator.

Dear children, from Heaven, I will accompany you during this Sacred Week; thus, you will perceive how important it is for these times to remember the Passion of Christ as a primary key to be able to transcend the end of times.

I thank you for responding to My call!

Who blesses you with the Water of Life,

Your Mother Mary, Rose of Peace
