DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The task God entrusts to you is to be fulfilled through love and trust. In this way, gratitude for the Plan of the Most High can be lived and expressed.

Each entrusted task receives a spiritual impulse that is capable of helping to bring internal relief so that they may accomplish the Purpose.

In these times, the tasks are profound because they encompass not only the state of consciousness but also some need that is to be resolved in this humanity.

In this way, the flocks and the peoples of God gradually take form through the tasks that must be accomplished with a maturity of spirit as well as an absolute trust in the Plan of God.

Now that the armies are being convoked, the schools of inner instruction are being formed to be able to spiritually respond to the need for the education of all souls.

It will be in this way that Christ will count on a certain number of armies to concretize the mission of His Return.

For this, there is one premise to be accomplished: constant effort.

I thank you for responding to My call!

Who contains you and loves you,

Your Mother Mary, Rose of Peace
