MESSAGE FOR THE APPARITION OF THE MOST HOLY VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA

As Mary, the Blessed One of Nazareth Herself, I want to again gather together, in the silence of prayer, those who aspire to follow the Laws dictated by the Lord.

Just like in ancient times, I gather the flock of the Redeemer to train it through love and faithfulness to God.

In My silence, I would welcome those who sought Jesus, would instruct them in prayer, in union with God, in simplicity and faith, so that the union with Christ could become eternal.

Two thousand and thirteen years later, I come to accomplish the same. Around My Heart, I gather all those who aspire to live surrendered to a Higher Will, a Will that governs the universe and the whole Celestial Kingdom.

I come so that, by means of prayer, silence, and peace, the souls of this Earth may draw closer to God and His Glorified Son for all eternity.

Since the beginning of My virginal and pure conception, the Lord gave Me the mission of taking care of the creatures of the Earth, train them, and lead them back to His Celestial Kingdom when it was time.

A long time went by; the creatures of the Earth experienced as much as they could; My Son Jesus showed the world how to reach the Celestial Kingdom; and now, My children, it is time to return to the House of the Creator.

When I say it is time to return, this is because it is time to seek the direct path to the Kingdom of God. The Lord already awaits the coming of His children.

God has no expectations that you may have learned a lot or evolved a lot; He just opened His Arms and His Voice echoed in the universe, saying to His creatures: "Return."

When a decree of God crosses spaces, His Servant and Her angels prepare to gather together all those who must return to the House of the Lord. The doors of Heaven are open for all those who dare to set aside the things of the Earth to gain the things of Heaven.

The House of the Lord must awaken in the hearts of humankind; the Kingdom of God must be born within each one, because to return to the Lord is to live in His Heart, being in one's own heart.

Our Celestial Father aspires for the whole Earth to be an extension of His Kingdom, where all His creatures imitate His Firstborn Son, Christified through Love and sacrifice.

Prayer is the path of return, sacrifice is the key to enter into that Kingdom hidden within you, and the giving of self will decree this eternal union with God.

Return, return to the Heart of God. Awaken His awaited Kingdom of Love on Earth. The world in which you live was created to be a reflection of the Kingdom of God, and your hearts were created to be reflections of the Glorified Heart of Christ. Your lives must mirror devotion and sacrifice, love and peace, unity and fraternity.

The first step must be taken by each one, in the name of all. Continue forward for one another, fortify the faith in your hearts through paying attention to the Words pronounced by My Son Jesus. Christ brought you the keys for transcending this material world and for converting it into a mirror of the Kingdom of God.

Understand the grandeur of the times in which you live, value the Celestial Graces that come for your spirits, responding with persistence to the call of the Lord.

Do not ignore the Voice of God that speaks to you: "Return, return, return to My Heart." Return to the Celestial Origin from where you came through living the love for which you were created. It is time to fulfill the mission for which you were sent.

Count on the assistance of the Messengers sent by God and truly listen to the Words pronounced throughout the years. Allow them to live in your hearts, and in your daily lives, live those Words.

I thank you for accompanying My task with your hearts.

I love you.

Mary, Mother of the Divine Conception of the Trinity
