Weekly message the Virgin Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón de Jesús

Dear children,

This is the time when your lives should be the example of a concretized transformation. It is time to be the same Message as My Son. It is time to express that which My Son so much expects.

Until that happens, He cannot return. He needs the pillars of His divine Gifts to be affirmed within you.

In simple words, dear children, My Son needs that you now be other people and that your souls, and not your personalities, may govern.

As a Mother, I pray for each one of you so that, each day that passes, you are able to get out of yourselves and put yourself in the place that My Son indicated to you since the beginning of your walk of faith.

My children, it is time that you embrace with love the painful planetary situation, that you can be faithful workers of peace and that you protect, from yourself and from others, the Word of the Hierarchy.

In this way, My dear children, you will be apostles of the end of times, you will reflect everything that My Son waits for since the beginning of your paths of transformation.

I thank you for responding to My call!

Who Blesses you,

Your Mother, the Virgin Mary, Rose of Peace
