Daily message received of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías del Sagrado Corazón

I wish all the time, from heart and soul, that all My children may someday know the great Love of God because it was this Love and Mercy that brought each one of you into the world at the perfect level of need.

Therefore, children, while you face the first steps of a late purification, I invite you again to cling to the great Love of Adonai, a Love that rebuilds the universes and the wounded hearts. Without this Love of God, nothing would be possible in these times.

It is this love, My children, that has made you mature and grow, to thus, assume your redemption on this planet.

Learn to live and search for forgiveness, because it is forgiveness that will lead you to love, and love will make you find the so necessary and urgent Mercy in this time of chaos.

My children, your Heavenly Mother helps you to become aware that without the Love of God you will not be able to overcome the tests nor the cycles of intense and accelerated purification.

The love of God takes you to peace, therefore I surrender My Heart of Mother so you are able to feel and experience it as part of your lives.

For this, children, banish your self-love, human love that controls and deteriorates all that it touches.

I come at this time to convert earthly love into a sublime love, purer and healthier each day.

Therefore, My dear children, your real permission will allow new divine Laws to reform your lives so that you can start to live in the ocean of the Love of God.

I thank you for responding to My call!

Who guides you to the universe of the Love of God,

Your Mother Mary, Rose of Peace
