Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

On the eve of an important meeting, My maternal Heart prepares to receive you in the sacred oratory of the inner Aurora, a place where we will always meet when I am no longer among you.

This sacred oratory will always help you to be able to remember the Purpose of God and to not lose sight of the meaning of the redemptive proposal that My Son offers you in these times.

With your hearts full of love for God, wait for the coming of your Heavenly Mother in August and feel the joy of remembering your sonship with the Eternal Father.

Thus, every day of your lives, you will be able to feel that the Aurora of My Heart has its main doors open so that you can return to the blessed enclosure of peace.

My children, it is a profound joy to meet the servers of My Son again, all those who are called in this time to sustain the flag of peace and planetary redemption.

Day after day I walk at your side, just as I walk with you in each new moment of prayer offered to the Heart of the Celestial Father and His Heavenly Messengers.

Thus, children, be wide awake during these days of August, in the face of all that will be revealed to your inner worlds.

Today I thank all of you for responding to My call!

Who blesses you, under the Light of the inner Aurora,

Your Mother Mary, Rose of Peace
