DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN??

Keep My Heart in your little heart. May this be a deep aspiration in your life.

Nourish yourself through My Love. May this be a permanent goal in order for you to find the Kingdom of God.

Seek the Light of My Heart so that it may be radiated in your life, renew your paths and overcome the actions of evil.

Let Me enter into your heart so that you may feel the true things that will make you understand what you have never understood before, and that will cause you to know what you have never known before.

For this, I need nothing from you, only your absolute fidelity in knowing that you are where you ought to be and that you experience what you ought to experience, just as the Father has thought of.

In order to recognize what I say to you, it is important to live and to listen with humility. Thus, the universes of wisdom and faith will fill your life and it will no longer be you who lives, but Christ who will simply work through you.

On this day, leave the spirit of work for the inner void. Those who are not empty of self will little understand the Will of God, because in truth they will not come to know it.

The armies form themselves in obedience to the commands and this is what builds the bases of the manifestation of the spiritual and Christic life.

Risk yourselves to be nothing and, in a short time, you will realize that you lost time in superficial matters, simply by controlling something that did not fulfill you.

Life and your lives belong to God and, in them, He can design new paths.

Be attentive to cultivate humility, thus you will also save yourselves from your mistakes and you will be true columns of the Plan.

I thank you for responding to My call!

Who educates you in the spiritual science of the heart,

Your Mother Mary, Rose of Peace
