MESSAGE for the special Apparition OF MARY, Lady of Graces,, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS

I am the universal Source of the Grace of God manifested to the entire universe. I am Mary, the Mother of Graces, who on this Saturday of Glory, again comes to meet with the children of the Most High.

As of now, I am grateful for the sincere Grace that those of Mine, My dear children from New Earth, have caused to emerge like a spring in this sacred place, because here too the Heaven of the Father touched the New Earth with His hands to today consecrate it to My Immaculate Heart.

My maternal Immaculate Spirit is full of supreme joy!

My dear ones, accept My supreme Grace, which will free you from evil and heal you completely, which will renew you, as in the origin, and thus you will be good spirits of Creation.

My dears, live in this world, without peace, through My supreme Grace, which will cleanse you completely like a spring.

I am the Blessed One full of Grace, I am Who intercedes for you both day and night, I am the Mother of Graces, I am Who pours out the state of Mercy and Pity on you through My most loved maternal Heart.

I am Who by a Greater Grace intercedes for you before My Son Jesus, so that you may receive the gifts of His infinite Mercy.

For all of you, I am the miraculous Mother, I am Who takes away the blindfold of damnation from your eyes so that you are able to see divine compassion upon the horizon.

I am the Mother of Divine Grace, I am Who will free you from the final judgment so that you may enter, through My Heart, the sacred paradise.

I am universal Grace, I am Who provides you with the mystery of your faith, I am Who offers and radiates hope to you, I am the Mother builder of the New Humanity of the heart.

Today, this supreme Grace descends upon your lives and calms your hearts, bringing you peace, healing and redemption. As the Archangel Gabriel said in his profound humility: "Hail Mary, full of Grace are You, the Lord is with You...", and today I say to you: "And blessed in My womb is the fruit of the New Humanity, for it will emerge through the intercession of My Grace, by the same Grace that God poured upon My Being."

Dear children, beloved children of the New Earth, as I have promised you, on this special day, I will descend from Heaven to be very close to My children and to confirm that it is possible to rescue the lost humanity, a humanity that is without God.

Thus, today I will come to this sacred place through My Grace, a Grace that I want and desire for you to love and aspire to incarnate in your hearts.

I am filled with joy and love when the Mother of Heaven is among Her littlest children, because My Grace reminds Me of Jesus in My arms. Be like the little Jesus, meek, simple, humble and loving, that today My arms be able to cradle all of humanity in need of love.

I thank you, now and always, for having opened the spring of My Grace through the humble manifestation of this grotto, because it reminds Me of My old dwelling on Earth. The grotto reminds Me of the Most Chaste Joseph, when with His hands He built the simple home for Jesus, in Nazareth.

With this aim, I ask for grottos, so that souls may withdraw inside of the Sacred Family.

Who blesses you, loves you, and thanks you for this loving reception.

Your Mother Mary, Lady of the Graces
