Message for the Vigil of Prayer of Mary, Mother of the Divine Mercy, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías

Dear children,

For another month, today I gather everyone into the depths of My Immaculate Heart, in this way, preparing the anniversary of Graces that will take place during the next month of August, in the original place where Heaven touched Earth.

For this purpose, and so that more hearts may awaken to My call, I invite all the prayer groups, for love and universal order, to help through their prayers and their donations so that the mission of the new bridge that is being built, and has not yet been finalized, may be fulfilled at the Marian Center of Aurora.

My dear children, if among everyone we are not able to gather the praying and donating efforts to concretize this bridge, before the month of August, this bridge, that wants to lead you to peace, will not be concretized.

Therefore, as Mother, I invite all My children to fulfill this request in truth, love and faith. Today I reveal to you that, some time ago, I asked My visionaries for the construction of a new bridge, for everyone to be able to reach the Marian Center.

Now I ask you, My beloveds, to incarnate the symbol of My petition within all of you.

What will it mean for your souls to build a new bridge and to concretize it, even in the physical plane?

God is showing you that, in this time of change, the bridges will be built by all.

My children, as a Mother, I give you this challenge that, if it be fulfilled with love by My dear children, the Marian Center of Aurora will be able to count on a secure path for the next month of August, in which My children will be able to cross.

While My Heart speaks about these small things, it wants to transmit to you the importance of everybody being able to build a new world based on spiritual maturity and faith.

If this bridge is able to be built before August 8th of this year, the current path and the ecosystem that is used by all will no longer suffer aggressions, and the Kingdoms will be able to once more approach all the regions of the Marian Center and to manifest, in this way, the harmony that existed, when the old bridge was present.

But what will building a new bridge mean?

It is a new spiritual alliance that is symbolically established, even on the material plane.

Therefore, this important act of charity by those who pray will allow to create a new consciousness within everybody, thus bringing wisdom and understanding about the essence of each one of My requests.

I want My little ones to understand that building a simple bridge, that leads to the Light of My Marian Center, has a planetary repercussion because, in this way, one rebuilds in the consciousness of humanity something that was destroyed by evil.

Dear children, may you experience this challenge in peace and, in the month of August, I Myself, The Virgin Mary, may cross the bridge that My children built with love for Me, to be able to reach the eternal Temple of prayer.

The month of August will announce profound and true revelations for all those who open themselves and reach Aurora with an open heart.

Today, I only ask you to pray for this symbolic bridge to be able to manifest itself. As good children, help so that this bridge for peace may be concretized.

The New Humanity will be born under the loving impulse of the hearts that are good, simple and humble, hearts that only radiate love and peace.

I thank you for responding with love and truth to My call for peace!

I bless and tell you: Go ahead, My workers, get to work!

Who thanks you,

Mary, Mother and Queen of Peace
