Daily Message received of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

I am the Mother of the Sun and the Lady of Mercy; from My Heart flow the solar rays that come from the universe and that descend to the planet each time I am present among you.

I am the Mother of the Sun because in My most pure womb are gestated the new projects of Creation, to which all creatures are called in this time, to be able to carry them out.

I am the Mother of the solar essence because from My Spirit emerge all the divine impulses, which are given through the Graces that repair and reform the life of all beings on the surface of the Earth.

I am the Mother of the new solar code because from My Divinity are born the universal Prodigies of God, manifested through the Gifts of the Holy Spirit.

I am the Mother of the solar universe because the Angelic Hierarchies work through the impulses and commands I impart to the whole Project of God.

I am the Mother of the Sun because from Me the Return of Christ is established, the reparation and the path for you to recognize the Second Coming of the King within yourselves.

I am the Mother of all the suns and the Guardian of the central sun of the universe, because, through My humble Heart, I transmit all its sublime rays to creatures, making them participants in their ascension and redemption.

I am the Mother that illuminates the paths.

I am the maternal fire that welcomes and consoles all of Creation.

I am the solar Peace.

I thank you for responding to My call!

Who awakens you to universal life,

Your Mother Mary, Rose of Peace
