APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIRST DAY OF THE SACRED WEEK, AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I will never leave you alone.

I return to the world, once again, because My Celestial Father has requested it.

For this reason, I am here, companions, not only for you to receive the Codes of My Passion, but also for you to be helped by Me in this harsh planetary reality.

Today I come to ask you to open your hearts to My Presence and to give Me everything that makes you suffer and endure.

Today, before the Celestial Father, I have the infinite Grace of being able to raise up to the Kingdom of Heaven all those who have suffered unjustly in this pandemic.

I have promised you that the cure will come, but the response of humanity towards the promises of the Eternal Father is still insufficient in light of everything He wants to do in this humanity and upon this planet.

For this reason, companions, My Heart approaches yours so that you feel the human Heart of Jesus, the Heart that suffered for you up to the Cross, the Heart that came to give its life for you, asking nothing in return.

It is this human Heart, the human Heart of Jesus, His great spiritual Reliquary, that I offer to the world today so that everyone, all at once, may enter it.

In the fire of My Heart, you will be able to purify your anguish and sorrow, you will be able to renew your hope and your faith, because that is how it was written, that at the end of time this would come to be.

Here, in front of you, in front of all human vision lies the reality of the end of times, unknown to many, but painful for most.

God still has His Arms open to His children. Listen to His Voice in the inner worlds and feel the joy of meeting Him again, despite everything that is happening.

I come as the great Spirit of Consolation. I come as the Master of Reconciliation. I want your lives and, above all, your souls to be reconciled today with the Eternal Father.

I have brought your Guardian Angels and all the Guardian Angels of the whole world so that, at My Feet, they may receive your offerings in the spirit of reconciliation and peace.

The new Israel, which is the humanity of this time, will have to rise again, come out of the ruins in which it has placed itself, resurrect in spirit, in love and in hope, to glimpse My Return upon the horizon.

But My Glory will not only come from the Heavens, but My Glory will also come from the inner worlds of the planet.

Most of the spiritual treasures that I have left for the world, and that no man on Earth has yet discovered, will be revealed, because they are not tangible treasures, but rather immaterial treasures that were recorded in each step of My Passion so that, in this time, of which you participate, you would have the tools you need to be able to transform everything.

With this, I am not telling you that you will stop purifying yourselves because the planet needs purifying. Therefore, you must always be in the spirit of faith, not in the paths of sadness or agony, because no one but your Master and Lord knows everything the world needs at this moment, what each soul needs in this time.

For this reason, today I have come as the Great Consoler, so that you can feel Me and, by feeling Me, you can commune with My human Heart, with this Heart so immense in Love and Mercy that lived here with you a long time

ago and that gave Love to humanity for its prompt redemption and conversion.

And this afternoon, I open the doors of Heaven and the universe even more so that everything that oppresses the planet at this time can be liberated.

Your love and attunement with Me will allow the doors of hell to again close and your Guardian Angels may make My Legacy triumph throughout the world, in the hearts that are renewed with My Words, in the lives that become My Message.

For this reason, I want you, placing your hands in willingness, your surrender to God, to merge again into His immaterial and divine Source, the immaterial Source that brings you the Spirit of Consolation so that your lives can be healed and renewed in Me.

Feel how the whole world stops and how souls receive, at this moment, all that the immaterial Source has for them. Because My Love will never die within you, only if you allow it to die; because My Light will never die within you, only if you allow My Light to die within you.

I come to bring you the Light of consolation so that, in the consolation that I can give you, you may enter My Peace, a place where everything occurs and is concretized.

This is the greatest gift that I can give you today, because you are part of the treasures of My Heart; through them you will discover the strength of determination to overcome these times.

I want to say to all who are listening to Me, at this moment, that I have felt with fervor your prayers and supplications; to all My companions from South America and from the whole world, I have listened attentively to your prayers.

Therefore, the Angel of the Lord will arrive in the world, at the most necessary moment, to bring this pandemic to an end.

The promises that I make to you are not the promises that you want, because My promises are certain and never change. What changes My promises might be your wishes or even your needs.

The promises that I give to the world have a time and also have a moment, that which the Father considers.

Therefore, keep working so that My promises are fulfilled and are able to descend from the Spiritual Universe to your Material Universe, so there will be more Light in the world and many souls will stop becoming lost, not only in this illusion, but also in this planetary suffering.

I wish you to be firm in Me. For this reason, I give you My human Heart, on this day, so that you feel and understand what I am telling you as knowledge, closer to your consciousnesses.

While I am here, on the triumphant day of My arrival, today, I do not want the palms to be laid before Me, but I want your lives to be surrendered to Me, in faith and in reverence.

I ask You for forgiveness, Lord,
for all that has been committed.
Grant me the Grace of liberation.

Amen.
(repeated 3 times)

With these simple words of prayer, you grant the Grace that the doors of the universe be opened, to help the souls who need it most, at this moment, especially those who have passed on due to the injustice of illness.

I ask that you no be longer part of the suffering of the world, but I ask you not to be indifferent to the suffering of the world. May your lives be that oil that heals the wounds of the consciousness of humanity with your examples, prayers and service for others. You know that the world is in chaos, but what will you do to get out of that chaos and take your fellow beings away from the chaos?

Elevate your consciousnesses to the true frequencies of the universe. Nourish yourselves with vibrations of Love and the Unity of God because, in this way, you will attract to the world the Divine Wisdom that the men and women of the Earth need at this time to find the safe solutions of these times.

Today My Heart opens even more before you and the world, and It emanates its seven powerful Rays towards all directions of the planet, especially towards all the consciousnesses that live in darkness and suffering.

Do not believe in what they promise, believe in My Word, because the Word is not Mine, but of God. The Sacred Word arises from Its Source and comes through Its faithful Servant, the Christ.

For humanity to be embraced by My Consoler Spirit, there must be true sacrifices, not great, but small, that can repair the Heart of the Father in everything that His children do, time and again.

For this reason, I come to bring you the strength of determination so that you can live the strength of faith. The Holy Spirit will help you, purifying your paths, and the Holy Spirit will open the doors to deliver Its Science and Understanding to all so that, finally, you are a New Humanity.

At My Feet, I have all your intentions, which I gather with Love. Here I see intentions from all over the world, true and sincere intentions of hearts so simple and humble that ask for the great change of humanity and the integral cure of this planet.

It is there, in that state of consciousness, cooperation, fraternity and brotherhood, where I always need to see your hearts, thinking about the needs of others so that all may achieve light, healing and reconciliation.

Now, let us pray that this Sacred Week may leave its strong impulses in all inner worlds, and that hearts, regardless of where they are at this moment, know that My human Heart, the one that lived, died and resurrected for you, today is present as a sacred Tabernacle within the homes of the world that opened the doors to this sacred meeting.

For this reason, I will bless you under the sublime Spirit of the Sacraments and, especially, of the Spiritual Communion that you can live again with Me, each day of this Sacred Week.

Feel the relief that I am offering you, and rest in My Arms from this battle that the whole world is living, because I will make of the servants warriors, I will make the most humble victorious, I will make priests of those who live My Word and be My Word for the world.

Celestial Father, Who leads us all,
accept our offer of surrender to You.
Guide us through the path of love
so that Your Will may be done.

Amen.
(repeated 3 times)

And now I will leave you with the Spiritual Communion, these sacred celebrations that I have entrusted to My priests of this Congregation, not only for them, but for all the priests of the world who must be the bridge between Heaven and Earth in this planetary moment.

I thank you, and go in peace, in the certainty that everything will change.

In the name of the Father, the Son and the Holy Spirit. Amen.
