Daily message received of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

The permission of Grace is granted through fervent prayer, which will always lead you to peace.

If souls knew the formula of praying with the heart and doing it with fervor, many situations of material life would surely be resolved now due to the momentum that the heart creates to reach the heavenly planes of Creation.

I leave you today, My children, the knowledge of a true and deep prayer that constantly responds to the needs of this chaotic time.

From Heaven, I bring you the power of My Grace so that, from now on and in this last cycle, all of you can use it as a bridge for the salvation of souls and the whole world. As it was in Lourdes, My Immaculate Conception is revealed to all through the permanent state of transforming and redeeming Grace that your Celestial Mother lives.

If souls only came to the heart of My Grace, many difficult situations would take the course of a better result for all.

Awaken to My call, and accept My call that is also pronounced through a state of Greater Grace.

I thank you for responding to My call!

The Grace of God is poured out upon you,

Your Mother Mary, Rose of Peace
