Special message received of Mary, Queen of Peace, transmitted in the city of Buenos Aires, Argentina, to the visionary Friar Elías

Dear children,

With joy and compassion, I hold, within My arms, children and the youth, because as a Mother and Guardian of Faith, I take you every day to the Temple of My prayer, to the eternal Temple of My Father and, from there, I take you to the eternal meeting with My Son Jesus.

Beloved children, today I gather you in the name of the Love of God so that, impregnated by His Spirit, you may reach peace, the peace of the heart.

In the Sacred Family, there is a real Temple of prayer where the Holy Spirit participates through Its Gifts, within the heart of the families. Praying every day to My maternal Heart, as a Mother, I can be present to guide you towards peace.

Dear children, may this encounter with the Queen of Peace open your hearts to the call of conversion.

I thank you for uniting your hearts to My call from Heaven!

Thank you for responding to My call.

Mary, Queen of Peace
