**APPARITION OF THE GLORIFIED CHRIST JESUS ON THE EIGHTH DAY OF THE SACRED WEEK,
AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS
DEL SAGRADO CORAZÓN DE JESÚS**

In the name of the Father, the Son and the Holy Spirit. Amen.

I have come, at the indicated hour, and on this last day, together with the angels who have brought in their hands the Relics of My Passion, kept in the Ark of the Holy Covenant.

Just as I did with the apostles of the past, I come to instruct you about the coming times.

Let us prepare ourselves.

You will see the Son of Man come, through this Solar System.

The way He will return to the world is not known yet, but many of you will participate in this event in three probable ways: material, mental or spiritual.

You will not know when this moment will approach, because I will come as the night watchman and I will not tell you in advance; but if your hearts are attentive, vigilant and prayerful, you will not enter into temptation, but you will rather know how to recognize, in the depths of your beings, the moment of My arrival.

As was said in the Apparitions of Garabandal, in Spain, a signal will be given to the world, through three calls.

The first one will be an inner call, which very few will recognize, but which many could know, feel and hear if they truly had their hearts open to transformation.

The second one will be a mental call, typical of the Ultra-terrestrial Universe, which, in one way or another, your Guardian Angels will make you know, as faithful messengers of the Father, as long as you are united with them, in divinity and within your hearts.

The third call will be stronger, it will be a universal call, at the apex of the planetary crisis, a call that will be on all continents and within all peoples. It will be a real and physical planetary call, unmistakable but mysterious. Only the pure of heart will understand the message that will be seen in the sky.

I told My apostles that times of great definitions would come, and these times are now. You and humanity are going through them. Beginning this year, which rules you in your alternative calendar, everything will take place in a gradual way.

But do not fear, because beyond what you see, feel or hear, those who are united to Me and defend My Legacy from themselves will not be alone, but will rather be a part of the promise that I have made to God for the end of these times, before My Return to the world.

Today I also come to speak to you of the great changes that are still to take place in your lives, following the path of fidelity and transparency, of loyalty and, above all, of love, so that your lives may be protected from the forces of evil that will still continue being unleashed upon the surface of the planet.

Although at certain moments you may feel that the spiritual battle is very strong, never, never let go of My Hand, because I will not abandon you. But you must conquer Christic Love, the redeeming and unifying Love, the very same Love that was lived by Me, up to the Cross.

At that moment, and under that event, you will know, companions, what is your true cross and what this cross means for your lives.

Therefore, through these meetings, I come to renew your lives so that your lives may be ready for what humanity will live as definition. I cannot only speak to you, companions, of beautiful things, I must speak to you of the truth.

My coming, in this time and at this moment, in which you are now, is not a passing or fleeting moment. This is the cycle of awakening the apostles and that, just like the apostles of the past, you may give your lives for Me. Because, in this way, the whole world, still submerged in pain and ignorance, will be worthy, in the end of these times, of the spiritual treasures that My Heart guards in the Ark of the Holy Covenant.

I promised to you to be with you every day until the end of times, and I am here, through this meeting, fulfilling this promise. Do you believe?

For this reason, each one of you must propagate My Message, all this must not stay only here. You can be My apostles and also My messengers, through your words you can bring My Word of life, My Word of solace.

How wonderful it is to see, how among brothers and sisters you can sustain one another, beyond your differences, feelings or ideas. In this hidden unity, which I invite you to live, in this end time, evil will not be able to enter, never forget this.

If I love you, as I have always loved you, how much more you can love one another as brothers and sisters?

You and many of your brothers and sisters throughout the world, beyond distances, can be a part of the new Essene fraternity, the one that once existed in past times and left an indelible mark within all those who had the Grace of knowing the Messiah and His whole Christic life.

This Essene fraternity must be, in this time, your aspiration to be within the Law of the Hierarchy, to live in the Hierarchy, to be like the Hierarchy.

Do not think that what I tell you is impossible or unattainable, your first step in this time is human fraternity so as to someday attain this Essene fraternity.

Remember all that I tell you now, because you have lived it before. Remember and, from the depths of your hearts, from the depths of your soul and from your essences, allow the emergence of this Essene fraternity that you shared with the Sacred Family.

Many were disciples of Saint Joseph, many were disciples of My Mother, and many were My followers throughout time.

You must only allow the heart to flood you with these principles, fill you with these aspirations and, more each day, make you good people who not only follow the Commandments but also live them in the simplicity of the heart and in the humility of life.

I come to show you the true history of your humanity. Just as I was with you, two thousand years ago, today I am again with you, after two thousand years. Can you feel what this means and how great is the wonder of God? The Grace of the Father, who, time and again, descends upon the souls, thirsty of Mercy, of Light and of Redemption.

My Name must be written within your lives, because the Name of Jesus is still a mystery to all. But this mystery will cease to be so when I return; you will come to know who Jesus was, as many others have, at some moment, have been able to come to feel who He was. Behind this Name, there are many more Names, Names that come from the Source and from the whole divine manifestation.

To this is where you must return, so that I can return to you.

Do not believe you are what you outwardly show or what you appear to be. Do not allow your lives to be ruled by these energies, allow your hearts to open, more and more, until your hearts can love all, without conditions, and learn to be fathers and mothers in spirit, brothers and sisters in the sacred Essence fraternity.

Also, in the past, the Order of the Knights Templar gave continuity to this Essene fraternity, but they were the same ones who were gathered and united around the sacred Relics of the Passion, to be able to found this new impulse that came from the universe for the new humanity to become like a seed of light within the consciousnesses.

Throughout these recent years and the latest Sacred Weeks, I have come with My own Hands bringing the Water of Life to water this inner seed that is in you so that the new life, the New Humanity, may sprout and be born. But this work is very demanding, it requires a lot of determination and bravery from My apostles so that these deep Aspirations of God may be fulfilled.

For this reason, I have brought you here, to Aurora, as well as to other places, where this seed of light may express the life of the Light-Communities and, even more, open their doors and their hearts to welcome the whole world by means of humanitarian service, in which many more seeds, in this time of seeming defeat, are being placed and sown in hearts, for one reason, that all may attain the happiness of being in God and of recognizing His Sacred Names so that this wounded humanity may be cured, so that this sick humanity may be healed, so that this indifferent humanity may become unified, so that this divided humanity may be made one, so that this humanity without hope may experience divine hope.

My promises will still keep being fulfilled in those who offer themselves as empty chalices to be depositaries of the codes of My Celestial Church, of all the merits achieved during My Birth, public life, Passion, Death, Resurrection and Ascension.

I do not need something difficult, I need you simply to be given, because I want My friends to live in My Love so that My friends may live in Me, as many of My friends throughout the times have lived in Me and decided to love the unknown.

When I become silent it is so that you may contemplate, meditate upon and listen to My Words, because Heaven and Earth shall pass, but My Words will remain in the empty chalices.

I will come to meet you in the coming Sacred Weeks, but this time it will be different because My time is finalizing with you. But My Gifts and My Graces will never end until your lives are the transformed Grace of God Itself.

This meeting will continue being called Sacred Week, but we will gather only at some moments during the coming Sacred Weeks: on Palm Sunday, on Holy Thursday, on Good Friday, on Holy Saturday and on Easter Sunday of the Resurrection of your Lord.

On these days, I will come to the world to give you My last Instructions, because I cannot leave here in the presence of so much planetary suffering, because I know that souls need Me.

I only ask you something, that you pray, so that these next meetings may take place.

However they are, wherever they are, but My Message will come, I give you My Word on this, and I hope that for the next Sacred Week your hearts are more decided and defined because, I want to tell you all, that there is no more time.

I do not want to force you to take a step, I want to awaken you to take a step, a step in degrees of love. This is so wonderful, that the degrees of love are infinite but so similar in all My companions.

Keep this Instruction in mind because the universe and Your King will always give you the opportunity to love. It is also a promise that you love those things that you did not believe that you could love.

But after so much Instruction, so many blessings and Sacred Weeks, I only hope that in this Easter that we are celebrating today, of the Lamb of God, immolated in sacrifice, you can say to God the Father,

"My Heart is ready
for what You wish,
for what You expect.

Father, make of my life
an instrument in Your Hands.
Transform this clay into something beautiful for Yourself,
because You, beloved Father,
will always resurrect my life.
I trust in You."

I want to celebrate this Easter with all those present and especially with all those who are in their homes and with their families, on this Easter Sunday, in which the doors of Heaven are open upon the world so that My resurrected Spirit may resurrect all the fallen spirits, under the glory of the Sacrament of the Eucharist.

In the presence of the Guardian Angels of God, in the presence of the Choirs that are closest to the Divine Source, today, before the King of the Universe, they will be witnesses that the sacred form of the Eucharist will enter, like immaterial light, into the hearts that open to receive it and, thus, the

sacred Essence fraternity may be instituted, once and forever. Amen.

So that your hearts may finish purifying and prepare your inner temples to receive the Sacrament, let us prepare this ceremony for all.

I invite you to invoke the presence of your Guardian Angels so that they too may be witnesses of the celebration of this Easter of the Resurrected, of the One that resurrects time and again in the human heart, to make of each human heart a redeemed heart.

Offer to your souls the opportunity to govern this moment and may all miseries, uncertainties, doubts or sufferings be dissolved through this eucharistic celebration. For this, we will listen to a song from the Marian Center of Figueira, a very simple song that says many things, called "Empty Heart".

I will listen, and let us celebrate in My Celestial Church.

Song: Empty Heart

Prostrated before the Celestial Church of Our Lord, Jesus Christ, King of the Universe and King of Life, we offer, at this moment, before His Presence, our empty hearts so that, as He said, He may fill us with His Codes of Light and, in this way, all uncertainties, doubts, sufferings, pains may be dissolved by the sacred celebration of this Eucharist.

Friar Elías del Sagrado Corazón de Jesús:

We listen to the instrumental song and we will follow, at this moment, the steps that Our Lord is indicating to us.

Today, after having resurrected from the dead and especially having resurrected in the hearts of each one of Mine, I come to share the Bread of Life and the Chalice of Salvation with all My companions of the world so that the strength of unity and faith may unify all families of the world and may make of each human heart a flame of faith in these times of darkness, so that the Light of the Kingdom of the Heavens, that lies within each one of Mine, may become present and triumph, once again. So be it.

Before, I was gathered with My apostles, today I am gathered with many more followers, and I come to give them My Life sacrament that lies within the Eucharist.

Thus, taking the bread into My Hands, I offer it to the Father, Adonai, Elohim and Abba, so that He may bless it and convert it into the glorious and resurrected Body of Christ, which today will enter in the form of Divine Light into the hearts that open to receive it in Spiritual Communion.

Thus, for the whole planet and for you, making memory of My Legacy throughout all Sacred Weeks, I break the bread once again, to offer it to you, saying, "Take it and eat it of it because this is My Body, that was given for you for the remission of sins."

*We praise You, Lord, and we bless You
We praise You, Lord, and we bless You
We praise You, Lord, and we bless You
Amen.*

Friar Elías del Sagrado Corazón de Jesús:

And like the Angels of Heaven, we prostrate before the presence of the divine Sacrament of the Altar, so that the most suffering souls may be repaired by the Presence of Christ, Our Lord.

Thus, I again take the Chalice into My Hands and I offer it to Adonai, Elohim and Abba, so that it may be blessed and converted into My precious and divine Blood, and I say to you again, companions, "Take it and drink of it, because this is the Chalice of My Blood, Blood of the new and Eternal Covenant, that was shed by your Redeemer for the remission of all faults. Do it in remembrance of Me."

*We praise You, Lord, and we bless You
We praise You, Lord, and we bless You
We praise You, Lord, and we bless You
Amen.*

May all Kingdoms of Nature be repaired, because they cannot defend themselves from humanity. May the souls of the Earth and the human hearts awaken to the consciousness of love for all Creation so that My divine and unfathomable Mercy may descend to Earth.

With joy, bliss and love, we announce that this is the Body and the Blood of Christ. Blessed are those who avail themselves of this Sacrament in Spiritual Communion because I have promised you eternal life.

And now, I will pray, and I will ask you to pray with Me to consummate the consecration of these sacred elements. Just as I did on the Mount of the Beatitudes, let us pray meditating upon each word.

Prayer: Our Father (in Aramaic)

Announce My Peace to the world.

Friar Elías del Sagrado Corazón de Jesús:

Our Lady has just appeared, dressed as a Celestial Spouse. Her beauty is indescribable.

We now ask for the Mothers to position themselves behind the altar so that we may announce, together with Our Lord and Our Lady, this powerful but simple prayer of the centurion.

We contemplate the majesty of Our Divine Mother, who comes to receive, in Her Immaculate Heart, the offerings of all Her children.

"Lord, I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.
Amen."

Thus, today I announce that each one of those present and not present in this sanctuary are now in Spiritual Communion with Me. Let us celebrate through three bell sounds.

Today I invite all mothers of the world, in the name of all Mothers present here, to renew your vows with spiritual motherhood, inexhaustible spirit of divine protection upon all children of God.

In communion, we listen to seven bell sounds.

Today, after a long time, I feel your hearts within My Heart, and this motivates Me and impels Me to come here, to come to the world.

I thank all those who, with their hands and their time, built this Sacred Week, one of the most unforgettable for Me. I also thank all those who faithfully followed this Sacred Week. As My Mother has said to you, "I am here", and I am your Master.

Friar Elías del Sagrado Corazón de Jesús:

Sister Amerisa come here and kneel down for a moment before Christ.

Our Lord, today, bless you in this sacred task of motherhood as Mother Elisabeth de la Cruz.

In the name of the Father, the Son and the Holy Spirit. Amen.

You may stand up.

And now, companions, My time has finished and I want you to conclude by listening to a song that should be the melody of these times for the new apostles. This song is called "To Be in Your Heart".

I bless you and give you My Peace.

In the name of the Father, the Son and the Holy Spirit. Amen.

We may go in Peace, let us say Thank you, God.

Mother María Shimani de Montserrat:

At the request of our Master, we will review with you, very briefly, those things that have happened throughout this week.

Remember that Our Lord came on Palm Sunday, announcing that His Passion would have, in this last week, a greater depth, because He wanted us to prepare our hearts.

He worked with all of humanity throughout the week only to prepare our hearts so that today, Sunday, the day on which He resurrects in our hearts, we could decide to say to Him, "Lord, my heart is ready."

And in this last sentence that He said, that our hearts would be ready to be an instrument, embracing the unknown with all confidence, is summarized our entire trajectory throughout this week. And it is the only thing that should matter to us in this time: to prepare our hearts, so that they may be ready, to embrace anything that He may need from each one of us, with total trust in all His Designs and in His Love.

His Grace and His Mercy are infinite; therefore, He will be sustaining our spirits in the Sacred Weeks to come.

We will prepare, with joy in our heart, His home, our hearts, and we will wait for Him with joy and gratitude.

We will prepare a summary for you all, that will describe all that which Our Lord carried out during this week, and we will be able to review all that we saw and heard, all that which, occultly, Our Lord did upon our planet and in our humanity, and that He granted the Grace of showing us, because we need to understand what happens in this world when He gifts us with His Presence.

"We keep preparing our hearts, Lord, to embrace all that which will come and transform this Earth, into this Aspiration of our Father, that this world, this planet and this humanity may be converted into a sacred planet."

Thank you, Lord, for all that You give us"

And united to You, King of the Universe, in the name of the Father, the Son and the Holy Spirit. Amen.
