WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today, with My face upon the ground, I implore, together with the entire priestly consciousness, for this suffering and agonizing planet.

I plead, together with My favorite children, that their souls may continue to be bridges of Light, Love and unfathomable Mercy, through which the souls most in need may reach the Heart of My Son.

I plead with God, with my face upon the ground, for this planetary situation, so that nations no longer be as prisons from where souls can not leave and people lose their freedom.

I ask the Father that My children of the world protect themselves, more each day, and comply and collaborate with the current planetary situation. Thus, My enemy will stop using the uncertainty and discouragement of people in order to govern.

I ask you, more than ever, not to forget to faithfully pray the Holy Rosary, every day, because, in this way, I will help you and I will come with the jar of fresh water, so that you have more inner fortitude to continue crossing this unknown planetary desert.

Cry out for faith, every day. Be an example and a testimony for My Son.

This is the time for the soldiers of Christ to be ready for unknown spiritual tasks because the need is so great that many, but many hearts that are not prepared need help.

I thank you for responding to My call!

Who Blesses you,

Your Mother, the Virgin Mary, Rose of Peace
