DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

Whoever is in My Love will lose nothing, because I will give them the courage to consecrate themselves to My Eternal trusting Heart, an essence of God that will permit them to construct the new dwelling for My Return, and in this way they will have the strength to be emptied of themselves and to donate themselves to My Heart.

I want to see suns lit from the heart so that they may illuminate, in humility, the dull path that many of Mine live. For this I call you day by day to merciful prayer so that the Fire of the Spirit of God may be present among you and may guide you towards the paths of peace and good.

I leave today for all My trusting and favored Love, especially for those who have been encouraged to cross the threshold to My Heart of Love. Walk without delay, because I always wait for you in the silence of a prayer, as in the daily confession of your beings to My Paternal Consciousness.

Quench your thirst for love and comfort in My Ocean of Mercy, simply by entering into My Heart at three in the afternoon, because in this way you will be with Me and will be able to grow from the spirit, so that My Father may entrust you a precious mission with the aim of accomplishing over the Earth, His project of love, unity and redemption.

I am by your side, following your steps.

Under the Love of the Father, be joyful and blessed.

Thank you for guarding My words in the heart!

Christ Jesus, the Savior
