WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE CITY OF MAR DEL PLATA, BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS

My Merciful Heart visits all the homes of the world, when their dwellers open the door to Me through devotion and prayer. For this today I invite all to prepare their humble homes, because soon My Omnipresent and Loving Spirit wants to pay unexpected visits in the houses of all the new Apostles of Christ.

Open the doors of your homes, so that may reign first, before anything, the Word of Life that nourishes and that will vivify your spirits in this time, you will receive the Word of Life through your openness to My Sacred Gospel and through the divine messages that week after week I transmit to the world.

When My Word is among you, I will be able to say that you are in the inner school of preparation, so that you can receive Me in the future as Your Savior.

Now I ask that the Word of Life go back to being present among your hearts, homes and tables, so that the power of the Divine Word may reign first, transforming and healing power for the whole world. And as a consequence I ask you that you love the New Testament, in this way you will go back to finding the path that the world and its modernity has caused you to lose, keeping you away from My Silent Heart.

I hope that the brave ones and those who are willing may visit Me in the Most Holy Sacrament of Communion, as well as in the Sacrament, because inside the Sacrament is found My Heart present in all the corners of the Earth; there will be the place so that we may also talk and speak of your problems.

Together we will find solution for everything, it will suffice that you want to visit Me in the Sacrament; there all will be accomplished.

Under the Glory of God, be blessed.

Thank you for visiting the Sacrament of My Unfathomable and Most Pure Heart!

Your Intercessor, Christ Jesus
