Daily Message of Mary, Rose of Peace, transmitted at the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

As a Warrior of the Light, today I wear My potent Armor of silver and, upon My Crown of Stars, I have the crystals that radiate all the Light of the universe.

I am ready to assist My children and all needs that come forward.

As much as My adversary sets traps for you, I will point out the path and the way out so as not to fall into temptation.

In My hand I carry the powerful golden ruby Sword that manifests the Will of the Most High for all of Creation. Nobody will be able to oppose His Designs from being accomplished.

I come dressed in My Armor of silver to show My children that we are still in times of battle, in which everything is at stake.

Thus, be attentive to all movements, your lives are at stake, as is the planet, and in this spiritual battle of the end of times, everything is allowed.

Remember that, if you are with Me, nothing will happen to you. Pay attention so as to not fall into distraction, indifference or omission.

Everything is within everybody's reach. For this reason, so that everything flows correctly within the spirit of protection, ardent attention will be the key for deviating battles, and silence and prayer will be the shield that will make you invisible.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
