Message of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Throughout time, My Presence is perpetuated within humanity, and coming to assist My children, I become present at the moments when this race is about to deviate.

I come with the authority of My Son, to announce His Return to the world.

Thus, in this very unpredictable time, I spiritually prepare the sheep so that they may follow the pathway that will allow them to find the Heart of Christ.

In this cycle, I go to meet the most lost sheep within and outside of the Church. I go after the most sinful souls so that they may reflect and be in time to experience a true inner repentance.

For this reason, through My Presence in the world and in this cycle, I prepare hearts so that they may face the most absolute and overwhelming change in their lives.

I come to give encouragement, hope and motivation to those who must cross the definite threshold of the times because the more souls that are redeemed and repent, the greater will be the Victory of Christ in the world, and time of the coming purification will be decreased.

Through hearts, I build souls of constant faith and hope.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
