Daily Message of Mary, Rose of Peace, transmitted during the journey from the Marian Center of Figueira, Minas Gerais, to Porto Alegre, Rio Grande do Sul, Brazil, to the visionary Friar Elías del Sagrado Corazón

From My most pure Womb is born cosmic life, and that life is projected in the different dimensions of Creation.

My Womb of Light gestates the new, and every being or consciousness that it receives is transformed by My maternal Light.

From My Womb are born the immaterial Rays that circulate throughout the universes to order and govern under universal harmony.

From My luminous Womb, new spiritual lives can be born in the hearts that unconditionally surrender to Me.

From the most pure Womb of your Mother of the World comes the Principle of Creation, and, in this way, time and again, Creation is renewed and everything evolves within the universe of the Light of God.

In My most chaste Womb, I give spiritual and essential life to that which seemed to be dead.

My Womb revives the lost spirits and, through the Principle of Healing, recovers the souls that distanced themselves from God.

My Womb is a new universe that gestates love for the New Humanity.

Those who place themselves within My Womb will be initiated into a new stage and they will be in Me, and I, as Mother, will be humbly mirroring Myself in the creatures of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
