APPARITION OF CHRIST JESUS IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 6th MARATHON OF DIVINE MERCY

I wish to leave My gesture of peace with everybody, My renewing Mercy in this new cycle.

Today I gather together new souls that are called to an inner consecration.

Today I also consecrate new families that follow the path, that follow the path and the faithful example of the Sacred Family of Nazareth.

But today I come to meet with you as the Greater Priest; the One who will give you Life after your life, eternity after this world, paradise after this terrestrial life.

Walk toward that purpose.

Today My Heart is very grateful, happy and in glory because of your response.

Thank you, companions, for having accompanied Me during a year of Graces.

Let this very important event for the life of the spirit never be erased from your memories, for you will know everything in the coming time.

Be glad in your hearts, sing together with the angels, the King of the universe has brought His Mercy to the Earth.

Let fallen hearts be lifted up and let those who are dead in life rise.

I come in search of the most imperfect, of those who do not live in God, but I also come in search of all those who unite with Me through their heart. You will always find Me in the temple of the heart.

Today the universe is with you.

God communes with your hearts and your lives commune with God.

Accept living in humility so that the New Christs may be born, those who God has foreseen will transmute the Earth in the end of times through the word of life, the renewing word that is the prayer of the heart. The proclamation of the Divine Word, between Heaven and Earth, between hearts and souls of goodwill.

Let the bells ring, for I have already consecrated this bread with My living Body and this wine with My renewing Blood, a perfect symbol of your eternal union with God through My sublime aspects that come from Creation, from the Greater Source.

I thank you, My little apostles.

Sister María Jerusalén:

Let the bells ring.

All the saints and the blessed have come, in this moment of glory, to bless you.

On this starry night, see the presence of the angels and of the blessed that come to bless the seeds of the New Humanity. Those who will sprout in the new cycle of the Earth to bring peace to the world and the end of human suffering; so that souls may rejoice in God, in the victory of My Mercy and in the immaculate love of My Mother.

Your Holy Mother is also present, with Her holy consciousnesses of Light. Those saints who lived on Earth and expressed in the world the Plans of God, the Gifts of God, to feed souls with Light and help fallen spirits throughout time.

You see that today, dear brothers and sisters, I am not alone.

My Mercy is expressed and expands in all these consciousnesses that believed from the beginning in My spring of life and who lived for Me to the end of their days.

Thank God for this universal conjuncture.

Emmanuel, your Father, is paying attention to this moment. Feel His Presence, the expansive Love of His Light, His infinite Wisdom in your hearts and minds.

Commune with the Father. Commune with His Presence. He is Eternal, He is Sublime, He will always be your love.

Commune with the universe at this special time. Commune with the universe.

In the name of the Father, the Son, and the Holy Spirit, I bless this Cross, this Cross of Emmanuel, a living symbol of the new era. Let it shine in the night of the Marian Centers, let the banner be raised as a symbol of the victory of God on Earth and of peace among consciousnesses.

Honor My glorified Presence through the Cross. For today I tell you: I am no longer dead, but alive in your hearts. I am your Glorified Heart, your Universal King of the Heights.

Wait for My coming. Wait for My Return. The time is drawing closer and freedom approaches all hearts.

Trust in what I tell you.

Everything has its time, everything has its place. In this way, the mission in the life of all beings will be accomplished.

Heaven and Earth are together today, because souls are one. Hold this moment in your hearts.

Today I would like to be longer with you, but the world calls Me. There is much to alleviate.

Go in peace.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

We would like to share with the brothers and sisters something that Christ transmitted.

When we thought He had already left, in reality, He had not left. He appeared with many Hierarchies, with many saints, such as Saint Teresa of Avila, Saint Rose of Lima, Saint Claire, and many more saints. Also appearing were Saint Francis, Padre Pío, angels, the Archangel Michael, the Most Holy Virgin Who came to this ceremony dressed in white like a bride, like a faithful wife.

Today Christ appeared as the Glorified Heart, but He wore a crown on His Head that symbolized His reign, according to what He told us, in all this universe, among all the stars and all the suns. He brought us this symbol not to show His power, but rather to show us His humility; because in spite of that task that He has today, He always placed Himself below all of us.

Then, at a certain moment, He began to walk over the brothers and sisters present, and extracted many things from His Heart; we saw petals of various colors that He was scattering over the heads of everybody.

Afterwards, at a certain moment, He rose up and the universe opened further, with the arrival of all those brothers and sisters, the blessed, the saints.

Mother María Shimani:

Very well, as could be foreseen for this end time, thank God each day we are going to work more, and each day we are going to further ascertain that the Love of Christ can do all things.

This Blue Cross, which everybody can contemplate behind us, was something that He requested we build, because through this symbol, during the procession we did today, He was going to gather up all impure spirits from the planet through the Love of the Creator. And He told us to do the procession tomorrow again because that blue Light, which represented the energy of the Creator Emmanuel, would again gather up what may have remained on the planet.

For this reason, we completely adhere from our heart to His Request. And as from today, for sure, a Blue Cross will shine at each Marian Center, manifesting the victory of God on Earth.

Friar Elías del Sagrado Corazón:

In the Message of [January 2, 2014](#), Christ asked us to build that Cross for the procession. And He also told us that on the 5th and 6th of every month, we were to do this procession at the Marian Centers.

He asked that the Cross be built perfectly. Today He said that He liked the Cross, but He thought it was a bit small, because the one that is to be raised at each Marian Center, He wants it to be seen from far away, during the night, to light up the path of souls and mainly of all those that may be circulating close to the Marian Centers, so that we can remember, He said, the Presence of Emmanuel.
