DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF KRAKOW, POLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In truth, My children, there exists nothing that can prevent Me from approaching you, because when I come, Heaven comes after Me with all the Graces of the universe, especially those Graces that the greatest sinners need in order to attain forgiveness and conversion.

For this reason, before chaos or calm, before agitation or the deepest silence, there exists nothing nor nobody that can prevent Me from being close to My children, because My wish as a Mother is that every day, into eternity, you may learn to be in God despite any circumstances or event, just as I am.

Through prayer and Communion with Christ, I encourage you to overcome and transcend the world chaos of the end of times; but not with indifference, but rather with intelligence, so that, in the intelligence of God, your lives may reach the possibility of attracting Peace on Earth in spite of all circumstances.

Dare to cross this threshold of chaos to enter into the perfect refuge of the Heart of God, for in this way, many more will be led on the same path of liberation.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
