**MESSAGE FOR THE MONTHLY APPARITION IN THE MARIAN CENTER OF AURORA,
TRANSMITTED BY THE HOLY MARY OF THE AURORA TO THE VISIONARY FRIAR ELÍAS**

I Am the New Sun that dawns in the life of each being. My words of Light are sown in the hearts willing to listen to Me. My Maternal Love is radiated to the souls that seek, day and night, the flowers of My garden. My steps mark the path that will bring you forever to Christ, because in My Kingdom love, devotion and truth reign.

I Am That Woman from Galilee that brought to the world the Supreme Light of God through the Savior of the race.

For this remember on this day the Immaculate presence of My Most Holy Heart. In this time I gather you to accomplish the important requests from Heaven. I call you to materialize the plans of the Creator in your material life.

It is time dear son, dear daughter, that you surrender your mind to God and that you free it from preoccupations and from obstacles; elevate your thought to the divine, so that the Supreme may act through your life and through your heart.

You are part of the Great Universal Thought of the Father, you must be the bridge that unites the Spiritual Universe with the Material Universe.

I am here today to teach you how to do it, I Am Your Faithful Mediator, I Am who wants to see you perpetually united to Abba by means of prayer and of the service of the heart.

I wish that you find your place in the Divine Dwellings; I vigil so that the project of Christ be accomplished in the dimension of your existence.

I come to confirm the prophecies that were written, from Guadeloupe on through to La Salette, Lourdes, Fatima, Medjugorje to Aurora. I come from Heaven to open the eyes of those who, out of ignorance are blind and cannot see the path of the Spirit.

God has sent Me for the last time to warn humanity about the grave decisions that it is making; but prayer, charity and love can overcome and will be the spark of light that will close the uncertain doors for many lives.

I Am That Radiant Universal Star, I Am the Mother of the Great Universe that prevents events and that, out of love, holds in the arms all the souls, those who risk walking at the side of Christ.

Dear children, unite yourselves to the Thought of God, be incubators of Peace wherever you go, do not stop imitating the Path of My Son. I come to comfort and heal you, I come in this time to give you some more time of Peace.

I give thanks to those who make an effort to accomplish My requests!

Holy Mary, Lady of The Aurora
