DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE TOWN OF LOS COCOS, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I shall come with the Scepter of the Light of God on one hand and with the mighty Sword of fire of the Archangels on the other to separate light from darkness, to rescue the souls lost in the abysses and the illusion of spiritual mysticism.

I shall come with the Sword of fire of the Holy Archangels so that some darkness may be dissipated, so as to ensure that the spirits that wander around this part of the world be expelled and led to other spaces of the universe.

I shall come in these days with the Sword of fire of the Archangels to close with My own hands the spiritual abysses opened by the excessive search for a spirituality based on the benefit of very few.

I shall come with the Sword of fire of the Archangels to gather the self-summoned of the Plan and to create the future foundations of a new Ark of God, where not only the Kingdoms will be helped, but also the consciousnesses which must be removed from a constant spiritual and mystical illusion.

I shall come with the Sword of fire of the Archangels of God to bring you peace once again.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
