Special message received of the Blessed Mother Mary, Queen of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elías

Children, today I keep you all in My Heart, and this means a victory of My Immaculate Heart in your hearts. My arms are open to gather within My heart the praying servers of My Son Jesus because the moment to share the life of prayer and fraternity among all the souls of the world is arriving.

Dear children, with joy, I invite you once again to the prayer of the heart. Prayer must be your constant work of love; a prayer that resounds in your hearts, that builds the goodness and peace among the groups, families and nations; a prayer that helps the souls that day by day despair due to not finding the correct path towards light and peace.

Children, as Queen of Peace, I call you to be permanently in the Kingdom of My Peace. This Kingdom, of victory and glory in the Heavens, is near your lives and homes. This Kingdom that My heart wishes so much that you are able to gestate through examples of goodness and charity, of love and brotherhood.

Children, you know that My Heart of Mother watches over all the children in the world and that the world is in a spiritual crisis due to the lack of love in the hearts of the human beings towards the Kingdoms created by My Father. They ask humanity for help and assistance; day by day souls suffer and are discouraged. This is the evil of the enemy that can take the attention of My children away from prayer.

Therefore, dear children, I still appear here, as in Medjugorje and in Salta, to sustain, with My maternal spirit, the inner chaos of humanity.

As a Mother who consoles the afflicted and in despair, I ask you that, week by week, as you have done on Tuesdays, My little ones, you embrace with love the life of prayer and, in groups, pray for the concretion of the Plans of God on Earth, pray for peace and for the conversion of all who need the Love of God.

I constantly gather the prayers of My children throughout the whole world, day by day. When you pray with Me My spirit of love is among you, within your homes, feeling the hearts and needs of each child.

Open the doors to Me! because I want to reign within your hearts, in your families, marriages and friendships. I am the Sun that descends upon the universe to heal you and finally take you to the Arms of My Son.

I share, at the time of emergency, the need of all My children; but you must continue praying for the world to reach a time of more peace, to avoid wars and persecutions.

Children, the prophetic book of yesterday is already open and all can change through your loving interest for the life of prayer of the heart.

I guide you, support you, I encourage you towards the transformation of your lives. I want you to reach, while you are on Earth, the real Kingdom of Paradise. For this to happen, you must say yes to My Immaculate Heart and to the Most Sacred Heart of Jesus.

God contemplates the good works of those who with love give their lives for the salvation of the world, through prayer and charity.

I am with you and thank all the groups for trusting, once again, in My urgent call for the total salvation of the world.

Who loves you, mercifully,

Mary, Queen of Peace
