Daily Message received of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

From the depths of My Heart, I aspire that you may find the path of peace, a peace that will help you to take the steps towards My Son.

On this day, when souls gather around My Son to receive His Mercy, I want you to sincerely offer your pleas for all non-believers so that the Grace of God considers them within the loving source of salvation.

Thus, dear children, the Lord needs the total and absolute inner union of each of you, so that His Work of Mercy be fulfilled in a humanity that is separated from the Kingdom of God and only seeks the realization of its own life, forgetting that the good is for all beings rather than for a few.

Thus, dear children, I invite you to charity and to the good, so that the rest of humanity be motivated to collaborate in the lacks and difficulties of others.

Dear children, work so that a more profound state of peace may be established.

I thank you for responding to My call!

United with all in prayer,

Your Mother Mary, Rose of Peace
