Daily Message of Mary, Rose of Peace, transmitted in the city of Assisi, Perugia, Italy, to the visionary Friar Elías del Sagrado Corazón

Child,

You will never lose the inner strength to do things if your life is in the Hands of God. You may lose material strength through sacrifice, but you must know that what you will be losing will be the potency and the action of capital sin.

Strive without fear, because I will take care of the rest. Nobody will be outside of the Purpose if they always joyfully fulfill that which so much pleases the Lord.

Sacrifice, surrender and silence are not liked by those who are influenced by the world. Avoid the outer from calling you; just concentrate on the inner richness and you will be on the correct path.

Teach your fellow beings the power of transformation, and, in this way, the first New Christs will be born within the planetary consciousness.

Simply allow the power of Faith and the Will of God to fill you; in this way, you will learn about the existence of other worlds that are also filled by the Wisdom of God.

In spite of everything, do not give up. I am here and, through you, I will perform wonders throughout the Universes of God.

Worship the Son, the Only Begotten, and everything will always be in peace.

I thank you for responding to My call.

Who blesses you,

Your Mother Mary, Rose of Peace
