Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

The second day of the novena: "For having known the value of Holy Communion and other Sacraments."

Dear children,

In each Sacrament is held one of the twelve Gifts of God that is activated at the moment when souls come into contact with the Sacraments.

Through Christ, the Sacred Eucharist allows you to be in communion with the Heights, and thus to attract, from the universe, all streams of positive spirituality that humanity needs.

The Sacraments are a portal toward what is new, for each one of them renews the consciousnesses that experience them, and in turn, allows the souls to be brought into permanent communion.

Each Sacrament builds something within souls, and new stages are experienced after having received any of the Sacraments.

The value of the Holy Communion is incalculable since, spiritually, the essence of the Eucharist is permeated with the Presence of the Divinity of Christ.

Each time the soul comes into contact with the Communion, it must know it is receiving a hidden principle of renewal and consecration.

Each Sacrament in and of itself represents a living aspect of Christ in the humanity that receives it and safeguards it as a spiritual treasure.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
