Daily Message of Mary, Rose of Peace, transmitted in the city of Porto Alegre, Rio Grande do Sul, Brazil, to the visionary Friar Elías del Sagrado Corazón

From My maternal Heart, I ardently desire that the Will of God be accomplished above all things.

I teach you to transcend the difficult times and to be in them without belonging to the cruelty that is promoted through the actions of humankind.

Thus, God builds and manifests His Kingdom in the humble, in those who have no interest in spiritual realization. The Father has requested that I teach this to humanity, but humanity still has not learned.

It is thus that I come outside of any institution or religion to teach the world about Love and Truth, which will always make you whole and free of any adversity.

I give the impulse to My soldiers so that they take firm and decided steps, definitive steps toward Christ. For, in this way, the very King of the Universe and Lord of Mercy will be able to unmask the false and give His Power to the poor of heart.

Throughout these last years, Your Heavenly Mother has been guiding you so that you may accompany Her until the clay mask falls from the faces that hide the truth and live the lie of yesteryear because when My Son returns, stone will not remain upon stone; only the simple hearts will prevail.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
