Daily Message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

As your Mother, I am always before you, struggling against the assaults of My adversary.

The Twelve Stars of My Crown are the most powerful rays of the sun that illumine the paths of those who became lost.

I am with you always in the battle. My Mantle is the protection of all the innocent, where those who must be guided toward the path of reconciliation take refuge.

I am with you in the battle. My Heart is the protective shield against all adversity; in it you will find strength, encouragement and hope for continuing onward.

I am with you in the battle. My eyes observe the steps of all the children of God and My hands point out the way of prayer so you may be invisible in the face of so much evil.

I am with you in the battle. The fire of My Heart burns all the evil influences and My rays of Grace show you the pathway to take.

I am your Mother of Grace; I give you the Rosary as an instrument of protection and each word pronounced will be a prayerful treasure of salvation for you.

I am with you in the Battle until the Return of Christ.

I thank you for responding to My call!

Who protects you,

Your Mother Mary, Rose of Peace
