Daily Message of Mary, Rose of Peace, transmitted in the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

I am the Lady of the Light and, with the Light that I bring to the world, I completely dispel and purify all forces of chaos.

I am the Lady of the Light and, with the Light I bring to the world, I awaken the Grace of redemption within essences.

I am the Lady of the Light in order to illuminate your paths and consciousnesses until you find, on your own, the gateway to the Celestial House of the Lord.

I am the Lady of the Light and, with the Light that I bring to the world, I draw away My children from imminent danger so that all may awaken to the truth.

I am the Lady of the Light and I expose all that needs to be liberated until the coming of My beloved Son is fulfilled.

I am the Lady of the Light and, in the world, I reflect the Light of My Mirrors so that the race may receive the codes of My Assumption and of My Divinity, codes that will help souls feel worthy before the Lord.

I am the Lady of the Light and, in My Womb of Light, I conceive a New Humanity so that the Project conceived by the Creator may be accomplished.

I thank you for drinking from the Fount of My Maternal Light!

Who blesses you,

Your Mother Mary, Rose of Peace
