**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

May your heart always reflect the energy of Love, because this way you will help rebuild this planet and its humanity.

May everything be repaired, healed and cured in the energy of Love.

May the Love that your heart should live be the premise of these times.

May everything be renewed so that the very essence of life be raised as a spiritual offering to the Feet of the Creator.

Always walk along the path of Love where you will find the inner strength needed to transcend time and overcome the trials that will come to confirm your spirit in the divine life.

May each stage of life be a sacred opportunity for redemption.

Each experience lived will make your soul a triumphant spirit, which will soon be close to Christ to celebrate eternity.

May the energy of Love rebuild all things and may your brave heart receive the sacred energy of Love to revive the eternal Love of the Creator every day.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
