**Monthly Message of the Glorified Christ Jesus transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón**

Remember, My child, remember, My soul, that in this life you belong to Me and that every day, until the end of times, I will come to take your most little heart.

Thus, little creature of God, you will allow Me to accomplish the prodigies and wills that Adonai has presented to Me.

Therefore, little soul of Mine, embrace My mystery, embrace My great mystery and submerge into the ocean of My Mercy so that the obedient angels of God may help your spirit to reach the invisible and awaited purpose that your most beautiful life must fulfill.

Allow your soul to cause great states of love for My Heart. Thus, you will be glorifying the Celestial Father through His beloved Son forever.

Promise yourself every day, every single day to come, that you will be faithful to Me and that, in face of the great test that will transform your earthly life, you will follow Me until the end of times.

Be worthy to live in My Sacred Heart, set your goals based on the virtues of charity, service, and good for humanity.

I have something valued and unknown for each soul. Thus, My Sacred Will, which is the Will of the Creator of everything that exists, will be manifested in infinite ways.

Souls can see the Aspects of My Glorified Heart in different ways, and thus, I elevate all creatures to the Thrones of God.

Today I open one last door for you, for My loving offering is extended to all the hearts that, having recognized Me a second time, are called by the Son of God to restart the path that was not completed.

My Spirit allows you to love the Law, even though many do not know it. My love allows you to reconsider and My powerful Heart impels you to reach new steps.

In this time of tribulation, blessed be those who call Me because I will answer them, maybe not as they expect, for My Virtues act in a way unknown to the souls of the Earth.

Be, in this time, that which My Holy Father expects. Proclaim the day of your redemption and your liberation so that, when I arrive in glory from the Celestial Universe, all may know and listen to their Guardian Angels, those who in service and absolute love will guide you towards the spiritual and divine place where I will be found to dine once again with you.

After the time of purification, there will be no more distance between you and Me. You will be able to feel Me, see Me, and know Me as I truly Am. From the beginning, you will be able to know Me, beyond My Transfiguration, you will know My Glorified Face.

But now it is time to keep rowing My boat, to be vigilant and awake so that no headwind from the northeast can submerge the boat and make the waters too rough.

Therefore, constancy will be the key. It will give you the impulse to pray and watch so that, in the face of any false deceit, you may know how to recognize the truth amidst illusion.

Move forward, some will reach the top of the purpose, while others must become bridges of light so that the self-summoned cross it and attain the goal that I left written within your hearts.

While the world seeks other things, I invite you to concentrate your gaze on My Sacred Heart, thus you will prevent that stumbling blocks deviate you from the path and that any lie makes your hearts believe in false truths.

Search for My Heart which is full and open to all, there, no one will perish.

Under the Peace of the Lord, be blessed and worthy.

Thank you for glorifying My Heart.

The Glorified Christ Jesus, the One of the past, of the present, and of the future
