Message for the special apparition of Mary, Mother of the Divine Conception of the Trinity, transmitted in Asunción, Paraguay, to the visionary Friar Elías

Dearest children,

Today I gather all of you, in the name of My Son, because your small hearts are in My arms, so that you may feel the maternity and the transformative love of My Immaculate Heart.

Therefore, dear children, may all your intentions be raised through love towards the Heavens, so that My hands may gather the needs of your beings, spiritual needs that are heard by the great hearing of My Heart.

My children, today I shed many blessings upon your hearts, so that they can recognize the power of the Mercy of God.

Dear children, may your souls find rest and shelter in the Heart of My Son, because in Him, My Heart will guide you through the steps that your consciousnesses must take towards the Lord.

May your eyes see the joy of My spirit, may your hands be in constant prayer and devotion so that you may distance yourself from the normalities of the world, because they are the plans of the enemy upon My children who awaken to conversion.

So that the plan of My Peace may be fulfilled, your prayers will strengthen the coming of Mercy of My Son upon humanity.

Therefore, during this evening, go in absolute and thankful peace, because My Heart contemplates you and tomorrow, on a new day of blessings, I will await you from Heaven and then descend and radiate My maternal Love.

May your open hearts be partakers of the Love of God. Never get tired of loving that which God sends you to learn. All is contemplated by the Universal Heart of God.

I thank you for responding to My call!

Who loves you always,

Mary, Mother of the Divine Conception of the Trinity
