Message for the Vigil of Prayer of Mary, Queen of Peace, transmitted in the city of Salta, Argentina, to the visionary Friar Elías

My dear children,

On this day of prayer for the nations of the world, together and united with the Eternal Father, let us especially pray for the nation of Argentina, which must definitely be taken into account of salvation and redemption.

Dear children, this is why My maternal Heart announces itself daily in your lives, to remind you of the importance of praying the Rosary every day, in a spirit of conversion and peace, throughout the whole world. The more groups of prayer fulfill the simple but magnificent divine requests, the more circumstances in humanity can be avoided, many souls will find peace and the conversion they look for so much.

As Mother of the universe, every day I bring you the only guiding Star that will lead you into finding love and peace. This guiding Star is called Christ Jesus, the saving and redeeming King of the universe.

Seek Jesus, aspire to be within the most beloved Heart of My Son; He has His Divine Heart of Light perpetually and eternally open for those who say 'yes' and dare to enter the redeeming Temple of the Most Sacred Heart of Jesus.

My children, for this reason, today I call on you to convert into true disseminators of My call for peace and for redemption; the most correct path will be through your hearts that will be able to transmit the love that many do not possess, the peace that so many souls search for in the world, the serenity and the faith that many hearts have lost in this time.

My children, through your pure, humble and simple hearts, Jesus, the saving King, will be able to radiate His Gifts because, He once said: "By the power of the Love of God, My saving Spirit will be present among My companions, laborers and servers of Mercy."

So, My beloveds, let this meeting in Salta with the Immaculate Mother of the Divine Eucharistic Heart of Jesus, bring you closer to the meeting with the Savior, with My beloved Son, Jesus of Nazareth, now King Jesus of the universe.

Dear children, as pilgrim Mother, I will accompany your steps every day of your lives. For this reason, you will be able to unite with Me through the Holy Rosary and all the prayers that proclaim the Light and the Peace of the Lord.

On this day, may your hearts be renewed through the prayer of the heart, because from your hearts can emerge the flame of life and peace that represents My Son, the Savior of the world, Christ Jesus.

I thank you for attentively listening to My new call!

Who always loves you from Heaven,

Mary, Mother and Queen of Peace
