Daily Message received of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Message of Mary for non-believers

Listen to the Voice of My Heart and just think that I exist within this vast universe of life and love.

Just think that I exist and that I govern a part of Heaven under the impulse of the Holy Spirit of God and that I pour the Gifts of this wise Spirit into the hearts that open to recognize it in the depths of their inner self.

Just think of Me as your Mother, the Mother of the Redeemer, Who throughout time has offered Myself to the world to be able to guide it and support it in the sacred Purpose of God.

Just think that I am this great Star and this great Sun that lights up the abysses and that converts fallen souls through the Love of God, Our Lord.

Just think about who I can be and not in what you believe.

My Consciousness comes from an eternal principle, from a most pure Source of Creation, which gave of Itself so that the whole universe could learn about real Love. It was this Divine Source that gave Me life and it was through this Divine Source that Jesus was able to incarnate in humanity.

Just think about what We are and not in what you believe. Open yourself to know the mystery of Love, which can do all things and which recreates all things, as it is written in the Heart of the Father.

Souls are born to live in faith, and it is this faith that allows the establishment of the true belief that God exists and loves you.

Everything has a meaning for the universe and the universe participates in this concept. Thus, the heart of each creature was created so that each one could feel the honor of being loved by God.

I thank you for responding to My call!

Who leads you toward the essence of real faith,

Your Mother Mary, Rose of Peace
