Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Fray Elías del Sagrado Corazón

The deconsecrated of My Immaculate Heart

My children,

In these times when the opponent strikes hard with his capital energies, the souls of the world are weakened if they do not pray with their hearts imploring for Mercy and protection.

Those who deconsecrate themselves to My Immaculate Heart cause me an eternal pain unbearable to explain, it is stronger than all the pains I suffered with my Son in His Passion.

The deconsecrated deprive themselves of My divine Presence for they decide to remain unchanged and choose the things of the world as true and illusory. The ones who deconsecrated themselves lose the spiritual quality of favorite children and become, by children of the world.

In this, your Mother can do nothing in the face of so much arrogance, indifference and human pride. Those who deconsecrate themselves to My Immaculate Heart make Me suffer spiritually, and bring as a result that, in truth, they never understood in whose Heart they were .

I pray for them, as I pray for you, in the hope that the indifference, arrogance and pride of souls will be transformed into love and compassion.

The ones who deconsecrate themselves to My Immaculate Heart have nothing else to do in their spiritual life, they become autonomous and they apparently feel free for having stripped themselves of the sacrifice they had promised to fulfill, once again, before God.

Your Mother implores for their Guardian Angels so that they feel relieved on carrying this weight of the human condition of these times.

Those who deconsecrate themselves to My Immaculate Heart never loved the plan. Thus today I confess to you that this is one of My many sorrows for the world.

I thank you for responding to My call.

In union with those who persist,

Your Mother Mary, Rose of Peace
