Daily Message of Mary, Rose of Peace, transmitted during the journey from the Marian Center of Figueira, Minas Gerais, to the city of São Paulo, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children,

Every day I wish to convert you into a model of love and of compassion, in likeness to or equal to My Son.

This will help the planet and humanity to be able to count on souls that live in love and in Christic compassion, which will awaken a small flow of New Christs in the race, so that now and always, humanity will no longer be lost from the Path of God.

Opening My arms and extending My hands to My children, I invite you to be within the great Universe of the Love of God, so that many situations may be healed and guided by the Light of My Heart.

In this way, dear children, I call on you to awaken to the deepest and truest that exists in you so that finally, this planet may be rebuilt by love and hope.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
