Special Message for the Vigil of the Most Holy Virgin Mary, transmitted in the city of Salta, Argentina, to the visionary Friar Elías

Dear children,

Worship the missions of Saint Joseph in the world through your hearts.

Within you, carry love for the full service for God and for His preferred plans for souls.

Today I want you to serve to repair the causes that oppress many hearts that have been forgotten for a long time.

With My Heart, I elevate the sincere offerings of all the pilgrims that dare to work out of love for the Mercy of My Son.

Dear children, today I am here to thank you for your response to being here in Salta.

Now, as from the new cycle announced by the Most Chaste Saint Joseph, prepare the instrument that represents the heart of each of you, because the Lord is calling on you to labor through the means of service, fraternity, and humility, attributes that must first be born in you to then be experienced as light on other children of Mine.

Today I pause with My gaze to observe the sincerity of your hearts. It is time to continue walking in the faith of the heart.

I thank you, children, for responding to My call in Salta!
