Daily Message received of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandú, Uruguay, to the visionary Friar Elias del Sagrado Corazón

My children:

Negligence has led the whole of humanity to have actions and attitudes contrary to the Plan of the Creator, because behind every inner state, known or unknown to you, lies a motive that is not in accordance with the purpose of the Greater Plan.

That is why, children, your Heavenly Mother, Mother of the Justice of God, comes to the world to banish these states that lead to the path of error and stagnation of the spirit in each being.

Be attentive to everything, be open to listen to the unrecognizable and simple to receive the instruction of Heaven and Earth; you, My children, will be able to perceive the different degrees of the human condition and its decadence throughout the ages.

But in order for that pattern of behavior, which was conceived as something normal, to change, constancy and diligence in discovering oneself will be the keys that will open the door to be able to liberate all human conditions.

To be part of the new sacred family of humanity, even if these inner and hidden states act and manifest themselves, without the possibility of keeping them neutral; prayer, instruction and perseverance over yourselves will help you to find the path to empty the self, despite the great desert you face in these times.

The hour of your purification will mark the moment of being able to cleanse and heal all these things that like negligence, until today, lead humanity on the uncertain path of an illusion "renewing and desired by many."

The mantle of humility will protect you from everything and know, My children, that at the moment of perceiving everything, I will be in Heaven encouraging you to liberate yourselves and to rest in the arms of My sacred withdrawal.

When you begin the path of your purification, it will be the time to be able to redeem all the deeds and all the actions that are no longer part of a sanctified life in the Lord.

Your immediate union and your love for your neighbor, in spite of your differences, will make you free and joyful to receive the Grace of the Kingdom of God. But while your search for all that is wrong remains visible before the inner eyes of the brave, do not be discouraged children, this school you live in promises insertion into the spiritual path of the heart, into the christic path of My beloved Son.

I thank you for responding to My call!

Who instructs you, in consciousness and love,

Your Mother Mary, Rose of Peace
