Daily Message received of Mary, Rose of Peace, transmitted in the Marian Center of Aurora, Paysandu, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

The advent of Christ is near, thus, consciously prepare your inner world to be able to receive Him.

In this special month of His Sacred Birth, My Son, who is about to be spiritually born within you, will bring an inner impulse to those who know how to recognize the importance of living this blessed moment.

There will not be anything at this moment that will be able to separate you from His Holy Heart. If at all times it was difficult and costly for you to maintain that sacred union with Christ, during this Christmas, it will become possible.

It is for this reason, My children, that today I call upon you to awaken from the lethargy in which the enemy has often placed you so that you are not able to participate in divine life. I need, My brave ones, that with your enthusiasm you invite everyone who has forgotten about Christ and, mainly, the souls that substitute Him for pleasure and conformism.

The pagan life must disappear from the human consciousness. Thus, on these dates of Christmas, the Angelic and Archangelic Hierarchies will work so that souls awaken more and more to the path of perfection and to the time of their purification.

Dear children, the whole celestial universe prepares to withdraw the blindfolds from your eyes so that you may see the higher life always awaiting you, even when you are being purified.

On this day, let the moment of having a divine opportunity, granted by Christ Himself, My beloved Son, be engraved in your consciousness,

I thank you for responding to My call!

Who waits for you to be at the side of the sacred Manger of Light.

Your Mother Mary, Rose of Peace
