**APPARITION OF SAINT JOSEPH IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL,
TO THE VISIONARY SISTER LUCÍA DE JESÚS**

By the power that God has conceded to Me, as an intercessor of this world and a few others, today I open the doors of this Kingdom to the souls that suffer, so that they may receive such Grace as you have received during the last days.

By the awakening of your hearts and the "yes" that you have sent to God, responding to the call of Christ, you have generated merits so that many others who are unaware, may receive the Mercy that emanates from the Mirrors of this Kingdom to the whole planet.

Today, more than speaking to you, I come to pray with you for this world, for the children who must grow and populate the New Earth; I come to pray for the Kingdoms that suffer so much due to human indifference.

I come to pray for the angels of the nations who try, day and night, to sustain the planet and to attract to each nation the Divine Principle that it must manifest.

On this day, I come to deepen the awakening of your consciousnesses for you to definitely become servers of the Plan of God. May the love for this Plan be greater than the love for your own lives, for in this way you can be a triumph of God in the world.

Today I come to show to your hearts a reality that is still unknown.

I ask you to close your eyes so that I may show you that which I see as an intercessor of this world.

Travel with Me around the planet with the eyes of your heart. Contemplate My Presence, My brown tunic, My red-colored mantle representing the Blood of Christ that is still poured over innocent souls.

In My right hand, today I carry a staff, representing that besides being an intercessor, today I come to lead your souls to a new purpose, just as My Son did.

My bare feet symbolize My resignation before God; they symbolize My will united to the Will of the Father, and that I shall follow His paths through all eternity.

Contemplate behind Me a great portal through which I conduct you to the planet. I wish you to know the East to share the Wounds of God and repair them.

Kneel with Me on the ground of this land that one day was sacred and that must become sacred again, because just as your Lord and King shall walk through the West, He shall also walk through the East, and those who denied Him and who did not accept Him from the beginning shall bow before Him, beat their chests and repent, but it will be late.

Today I come to share with you one of the biggest Wounds of God, which is the human indifference for the Sacrifice of His Son.

When Jesus was little, He taught Me to pray the Our Father, a prayer He brought from Heaven, that He had learned from His Father so that all souls could unite to Him. Today I ask you to pray that sacred prayer with Me to intercede for the souls that must enter My Kingdom, which is your home and Mine.

Contemplate in the sky of the East a great door of light which radiates a golden and bright light; through that portal, the Voice of the Creator echoes to all of His children.

In the name of humanity, answer to His calling and, clamoring, speak to God:

Our Father, Who art in Heaven,
hallowed be Thy Name;
Thy Kingdom come;
Thy Will be done
on Earth as it is in Heaven.

Give us this day our daily bread
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.

Amen.

Now, with your hearts even more united to the Heart of the Father, pray for the children, those who suffer unfairly.

For the sake of the Grace that God conceded to Me of having the Child Jesus in My arms, today I offer all children of the world to the Father and, along with you, I beg to God:

Our Father, Who art in Heaven,
hallowed be Thy Name;
Thy Kingdom come;
Thy Will be done
on Earth as it is in Heaven.

Give us this day our daily bread
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.

Amen.

For the sake of the Grace that God conceded to Me of having the Holy Virgin Mary as my Spouse and Companion, as a Light on My Way, who has led Me to understand the Presence of God in My Heart, today I offer all women who suffer unfairly so that they do not lose their purity due to the outrages of this world. Along with you, I beg to God:

Our Father, Who art in Heaven,
hallowed be Thy Name;
Thy Kingdom come;
Thy Will be done
on Earth as it is in Heaven.

Give us this day our daily bread
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.

Amen.

For the sake of the Grace that God conceded to Me to be a simple, serving and humble man, of fulfilling His Designs and today to be at His side, I offer to the Father all men on this Earth who are blind, who do not understand Him, who do not seek God, who do not find the Sacred within their hearts. Let us beg to the Father:

Our Father, Who art in Heaven,
hallowed be Thy Name;
Thy Kingdom come;
Thy Will be done
on Earth as it is in Heaven.

Give us this day our daily bread
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.

Amen.

For the sake of the Grace that God conceded to Me to understand the presence of the Kingdoms on the Earth, of loving them and of revering them so that they may accomplish their mission, today I pray to God for all animals, minerals, plants, for all of the devas, for all of the elements that, in the deserts of the world, contemplate the atrocities caused by humankind; elements which, in the forests, rivers, mountains, cities, homes, and in all places, suffer the atrocities caused by the ignorance of the human heart.

Father, today I pray to You for all Kingdoms so that, through this prayer, humanity may understand that it is Your own Heart and the Heart of the Holy Virgin Mary that are outraged when the Kingdoms suffer and ache in this world. Along with Your children, I beg to You:

Our Father, Who art in Heaven,
hallowed be Thy Name;
Thy Kingdom come;
Thy Will be done
on Earth as it is in Heaven.

Give us this day our daily bread
and forgive us our trespasses
as we forgive those who trespass against us;
and lead us not into temptation,
but deliver us from evil.

Amen.

With this prayer, let us tell the Lord our God that we wish to begin a new cycle, so that now, children, you do not think so much of yourselves, but rather you contemplate the needs of the planet, of the Plan of God for It to be manifested, for this Earth to become sacred.

Whenever you think of yourselves and believe that you suffer too much, remember that portal I opened in your hearts for you to contemplate the biggest Wound in the Heart of the Creator, and do not be indifferent concerning the Sacrifice of Christ as others are.

Now return here with Me, but never forget the children who suffer, the women, the men, the Kingdoms that need your prayers. Christ has given a great Grace to you and it was not only for you; it was meant for you to respond to His call, abandoning the pettiness of your lives in order to contemplate a Higher Will and to finally recognize that the time has come to fulfill the Plan of God because, if humanity does not awaken, life on the planet may be extinguished.

Do not allow, children, another Wound to open in the Heart of God. Be worthy of everything you have received and multiply these blessings for the whole planet and for the whole universe, which is waiting for you to respond to the Call of God and for you to experience it.

Today I have come to pray with you because My Heart cannot contemplate the world any longer without feeling the grief of the souls that suffer.

After recognizing the greatness of the Father, of His Kingdom, and of all Kingdoms similar to His, which are hidden within the Earth, I cannot contemplate the human suffering without feeling the grief of souls in My Heart.

I cannot contemplate the atrocities that the Kingdoms experience without feeling in My Heart the great grief that human ignorance causes Me for not understanding the true mission of nature on the planet.

For that reason I have come to pray with you today and to only offer to the Father the merits generated by our hearts united in His Name, so that His companions may one day reach Asia, responding to His Plan, causing His Heart to triumph.

The bread consecrated by Christ has already entered your essences as a seed of light which is starting to fecundate, to sprout, and to grow, in order to become the tree of a new life. May each Communion that the Creator offers you by the means of His Messengers nurture that seed, strengthen it and make it more powerful than any human aspect, so that you may awaken the Divine Essence in your little hearts.

Pray once again with Me, now in Aramaic, as My Son has taught us, in order to open the doors of Heaven and so that all souls, all Kingdoms, and the very spirit of this Earth may commune of the Body and the Blood of Christ.

Prayer: the Our Father in Aramaic.

Let the children come here, let them commune for all children of this world, and above all let the new life be sprouted within them; may they be worthy of living in the New Jerusalem, the Kingdom of God manifested on Earth. Sing while they come here.

Oh! Saint Joseph,
we clamor to You for the salvation
of all souls of the world.
Mercy, Mercy.
Oh! Saint Joseph, Mercy.

Oh! Saint Joseph,
we clamor to You for the salvation
of all souls of the world.
Mercy, Mercy.
Oh! Saint Joseph, Mercy.

Oh! Saint Joseph,
we clamor to You for the salvation
of all souls of the world.
Mercy, Mercy.
Oh! Saint Joseph, Mercy.

Oh! Saint Joseph,
we clamor to You for the salvation
of all souls of the world.
Mercy, Mercy.
Oh! Saint Joseph, Mercy.

Today I leave My blessing over all children and over all families. May every father and mother receive from My Chaste Heart the inspiration to educate and to raise their children. I ask you to be strong and to not allow the influences of this world to enter your homes, those which separate the families and make them unhappy.

Today I leave a seed of the new life in you so that, wherever you go, you may sow it in many other hearts that are not here today.

For the sake of the Grace that God conceded to Me of living among the most Sacred Family that has been in this world, today I bless you and thank you for being here and for allowing the new child to flourish in your children.

In the name of the Father, the Son, and the Holy Spirit. Amen.

Go in peace and overcome the challenges of this life with peace.

I thank you.
