Daily Message of Mary, Rose of Peace, transmitted at the Marian Center of Aurora, Paysandu, Uruguay to the visionary Friar Elías del Sagrado Corazón

In the first days of August, the Light of My Immaculate Heart will in spirit assemble the souls in the world that are in need of the spiritual and redeeming healing of the Aurora of My Heart.

It will be in those days of August that My maternal Spirit will want to lead you into experiencing the faith and absolute trust in the co-redemptive Project that your Heavenly Mother carries out at the Marian Centers, which in just a few more years, will be Mirror Centers of My Heart that will refract the attributes of salvation of the Universal Mother to the world.

For this reason, children, after all that you will receive in Aurora and from what each one participates in, I will expect you to leave My greater Marian Center in the certainty of My Love, and your faith renewed by your commitment to the Plan of Salvation, which each soul will be called to live and share.

The Plan of God, foreseen for the coming times, would show a greater result if consciousnesses responded at the proper time. Thus, My children, through My Graces, you are put in a place that perhaps you did not deserve, but through My intercession, I lead you to know the Will of the Creator.

Now that the times are urgent, in order to be able to sincerely follow the proposal that you are being called to participate in, your Heavenly Mother again will gather you together in the sanctuary of Her Most Pure Heart so that during the days of August, you may be true testimonies of a manifested redemption, while at the same time, be witnesses of this Work of Grace that you all share with My Immaculate Heart.

Children, I will await all of you in love and devotion. If your hearts are united with Mine, everything will be possible.

I thank you for responding to My call!

Who nurtures you with the Word of Life of Christ,

Your Mother Mary, Rose of Peace
