MESSAGE FOR THE APPARITION OF THE MOTHER OF GOD, TRANSMITTED IN THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS

Beloved and dear children,

On this day, I thank you for having responded to My call for the Vigil of Prayer, because in a simple and loving prayer many uncertain doors are closed which would cause souls to move towards other paths, tempting them into damnation.

But the power of prayer of the heart of the Marian groups fosters celestial Graces in spaces and places of the world that, because of serious faults, would not deserve them.

For this reason, My immaculate Love is present in your lives, and as guardian Mother, I aspire to reign in your hearts.

Dear children, on this day of meeting with the Lady of Heaven, may your lips be able to speak of gratitude, because God sends Me to you as your Mother.

May your hands united in pure prayer radiate the true love that is held in your hearts. May your feet walk along the path that My beloved Son is showing you in this end of time.

Beloved children, when My Heart asks that you respond to the divine calls, know that you are responding to the Will of the Lord. In this way, I am teaching you to love Divine Will, the Will of the Father that will lead you into living humility, unity and love.

Dear children, you know that daily, the world suffers from the constant actions it commits against the loving Plan of God. I ask that you, dear children, wake up to the moment you are living in this planetary cycle.

Open your eyes to be able to see the signs that Heaven is manifesting for humanity through the Celestial Messengers, because the salvation of your essences is the mission of the Most Holy Lady of Heaven. So it will be that the purest in you, that which was lovingly created by God, will return to the universal House of the Father.

For this reason, dear children, live a life of honesty, humility and prayer, so that like a mirror, your beings reflect the necessary light in this world, the light of your hearts.

Dear children, I am close to you to lead you without delay toward the Heart of My Son, because if you do not live for My Son, how will humanity be transformed and be consecrated to the Will of God?

My children, through you, I try to have many hearts wake up to the moment of conversion and redemption that all My children of the Earth must experience. The Lord of Heaven calls you to form yourselves as true prayerful communities that provide the necessary support so that the world is able to be sustained in the reality it experiences daily.

It is important to open the inner heart to understand and follow the events, because the true soldiers of the Light of the Father are formed in this planetary school through immediate obedience.

The times have changed and consciousnesses will not have time to think about responding to the command of Heaven; they will only have time to respond, so that the divine command of the universe may be accomplished in the greatest number of essences of the world.

The Celestial Mother is forming prayerful beings as soldiers of the Celestial Father. This will allow, through the love and peace among you, that other children of Mine awaken to the opportunity and the celestial Grace.

Dear children of Montevideo, continue to pray for your country; the Lord will accompany you through prayer.

I thank you for responding to My important call, and I bless you in the name of My Son Jesus.

Peace to all.

Mary, Mother of the Divine Conception of the Trinity and Lady of Peace
