Message for the Vigil of Prayer of Mary, Mother and Queen of the Most Holy Peace, transmitted in Manantiales, Maldonado, Uruguay, to the visionary Friar Elías

My dear children,

Blessed be Christ Jesus in your precious lives!

On this evening of Saint John, I invite you to imitate the loving example of the faithful disciple of Jesus. As Mother of the Divine Mercy, today I ask you to consecrate your beings to the perpetual and eternal Light of My Immaculate Heart. As Mother, I call you so that your lives are consecrated to the Mother of the Celestial Divine Universe on this consecrated evening to Saint John.

Dear beloved children, with joy, My maternal Heart reaches this part of Uruguay to confirm My company and My Presence on the special awakening that the Marian Center of Aurora will have during the month of August 2013.

As Queen of Peace, I invite you to tomorrow enter into My Immaculate Heart once more, on June 25, so that thus you may follow me especially on this new anniversary of the 32 years of the Apparitions in Medjugorje.

My children, during this cycle of June, you will be able to understand that Mary, Queen of Peace, returns to the world with the hope of a prompt conversion and awakening of humanity. Therefore, on this day of Vigil, I ask the Marian Centers and all pilgrims who follow Me, to unite in profound prayer for the special intentions of the Virgin Mary.

Your hearts will pray constantly during the next six months:

- For Peace to be established among nations and in the world.
- For the future mothers to love the precious coming of the children of God through birth.
- For the nuclear conflict to end and so that the only plans of human beings be peace and good for the whole world.
- For the planetary healing that emanates from the Sacred Heart of Jesus to be poured out upon the most inveterate sinners.
- For the children, youth, and adults of the whole world to awaken to the call of conversion and the true change of the attitudes of life. This will be possible when parents who are responsible for the spiritual path of all their children experience and spread the life of prayer among families and among all beings.

Today I also ask you to pray:

- For the souls that suffer and experience the martyrdom of famine and lack of water.

- For the infinite and pious Mercy to be able to touch the hardened hearts and that, under the Love of God, they be able to help those most in need.

And lastly, I ask that during these next six months you pray:

- For a larger number of souls to awaken to the vocations of the Christian path.
- For the shepherds to be guided by the footsteps of My Son.
- For the true Church of Christ to transmit, through examples, the life of the spirit, reconciliation, and unity to all souls.

Therefore, My children, My maternal Heart, by the Will of God, appeared and is appearing for 32 years in Medjugorje and for the last 6 years in Aurora, in South America, with the spiritual purpose that all the hearts that have been separated from My Son, and consequently from God, can return to My Arms, so that My Light may guide them towards the peace of heart and towards conversion.

Beloved children, in this way you will learn to contemplate how necessary it is to pray for the special intentions of My Son Jesus and of the Immaculate Heart of Mary so that Grace be present in the world in these times of great changes.

I thank you for responding to My requests for the peace and redemption of the world!

Who loves and blesses you,

Mary, Mother and Queen of Peace
