**Special Message for the Apparition of the Most Pure Mother of God, transmitted in Belo Horizonte, Minas Gerais, Brazil, to the visionary Friar Elías**

I am the Lady of Heaven, I am the one Who comes in glory and peace to radiate the Love of God to you.

I am the Mother of the Universe, I am the one Who will take you in My Arms from the abysses and carry you in honor of the Kingdom of God.

I am the Mystical Rose, I am the one Who emanates subtle aromas to silently protect your path of consecration to God. In this way, day after day, I try to lead you to prayer, because in prayer My Heart closes your wounds and protects your little hearts in the Light.

I am the Mother of Graces, I am the Woman Clothed with the Sun Who pours out the goodness and compassion of God onto the world and creatures.

I am the Guardian of the Faith of those who have lost it.

I am the Mother of the Divine Conception Who draws each child closer to the universe of the Holy Spirit.

I am the Warrior of Love, I Am the Patroness Who raises the banner of Peace.

I am the Lady Who in Love and Pity, unties the knots of those who constantly suffer.

For this reason, I cry out to all for prayer, because as humanity, you must repair the Heart of God for the grave offenses He receives.

I am the Lady of Peace, I am the Queen of Peace, Who announces the coming of the new Kingdom of Christ on the face of the Earth. In this way, I gather My soldiers, calling on them to be consecrated to a life of prayer, to the experiencing of fasting to purify the heart, to forgiveness and to reconciliation.

I am the Celestial Mother, I am the Solar Star that eternally shines in the firmament and announces the time of Mercy.

For My Son, I gave of Myself to all, and with the awaited coming of Christ, I will reveal the Aspect of the Lady of the Sun.

May My stars transfigure your lives into light, may My steps towards God be your steps, may My maternal Heart reverberate in love within you, may My merciful rays illuminate the dark pathway of those who have not yet reached the Kingdom of God.

With My Son, I return to the world to awaken it and call it to conversion.

Prayer will be your future nourishment that will nurture the spirit and all manifested life because through prayer, you will walk without delay to the Arms of God, and when all My children reach Heaven, I will cleanse the past from your faces in the Fountain of Life of My Son, and renewed in spirit, you will glorify God and eternally serve Him out of love and honor of the Creator.

For this reason, seek a life of sanctity while you are in this world. Be charitable one with another. In prayer, build the new principle of brotherhood. Be apostles of Peace and live the redeeming Message of Christ every day.

I come to you to lead you to Jesus because as a Mother, I wait and beg God for the salvation of humanity from the constant sin it lives in.

My dear children of Belo Horizonte, I thank you for the response of your essences to My Immaculate Heart. I especially thank the children that, out of love for the Greater Good, worked so that I, the Queen of Peace, could bring you all the Message and the Call. I thank you for your loving example of charity.

My children, on this Saturday of Glory, may your deep essences prepare for receiving the spiritual visit of the Lady Who is brighter than the Light, the visit of Mother Mary, Queen of Peace and Mother of the World.

Dear children of Belo Horizonte, today may you be participants in the complete absolution that My pious Heart will radiate to all under the intercession of the Sacred Heart of Jesus.

I thank you for opening the door of your hearts!

Mary, Mother and Queen of Peace
