DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

Dear Children,

Loving the Will of God and following it is only for hearts determined to follow His divine Precepts, even if they do not understand them.

Loving the Will of God means taking steps towards Him, even if at some moment there is no clear light along the way.

My children, allow the Divine Will to teach you, every day, to care for and protect the Plan of God, so that more consciousnesses may awaken to this call, to respond to a Will that they have never before applied in their lives.

Therefore, I ask you again, to love the unknown Will of God so that, in each new phase, there may be the support that will allow you to move forward in your lives.

It is within the emptiness of self that the courageous heart will come to know the mystery of the Divine Will, to understand where the Divine Will wants to lead it, until the promised goal is reached.

The Divine Will will allow each being to fulfill that which they truly came to fulfill in this world.

Following the Will of God, which may not be understood, will not let you fall into the same static state of things; on the contrary, by following the Light that the Greater Will indicates, you will be guided on the path of truth and transparency.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
