Daily message of Mary, Rose of Peace, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías del Sagrado Corazón

Dear children:

Each time the bells rings at noon to announce My arrival, a portal from Heaven opens upon the Marian Centers, even though your Heavenly Mother is on pilgrimage in another part of the world.

If you are sure that, through the sound of the bells, something universal happens every day at noon, you will experience a profound connection with the Kingdom of Heavens.

Therefore, announce every day to the world that the Mother of God is arriving on Earth to bless Her beloved children and to show them the path towards the source of Love.

May every day the portals of the universe be opened for souls to avail themselves of the Source of Divine Mercy and to nourish themselves spiritually from the Gifts of God.

May each new noon, the bells resonate at all Marian Centers and in all homes throughout the world that wish to unite in decreeing the descent of infinite Grace upon humanity. So be it.

I thank you for responding to My call!

Who blesses and loves you,

Your Mother Mary, Rose of Peace
